Bob Schoenberger called the workshop to order at 7:30 p.m. The workshop was scheduled in order to review Chapters 1-3 of the formal draft of the updated Comprehensive Plan, prior to distribution to the Board of Supervisors, the Chester County Planning Commission, and adjacent Municipalities.

Comprehensive Plan Update

A Draft of the updated Comprehensive Plan, dated May 2013, had previously been distributed to the Planning Commission Members for their review in preparation for this workshop.

It was the general consensus that the Draft Plan meets the required objectives, is in good order and will basically require minimal typographical and grammatical correction.

The group moved through Chapter 1 – Introduction; Chapter 2 – Land Use, Housing, and Economic Development; and Chapter 3 – Eagle Village; revising typos, grammatical errors and any incorrect information, with John Theilacker and Tony Robalik noting the revisions in their documents.

Chapter 3 included the cover of the draft Village Concept Plan, dated June 2010, raising a short conversation regarding the front cover and the accuracy of the Village Concept Committee Member listing. Gwen will research both topics and provide an update at the next meeting.

Chapters 4 – 6 will be reviewed at the June 13, 2013 Planning Commission Meeting.
