## REMINDER FROM THE POLICE DEPARTMENT

### IDENTITY THEFT SOARS

Don't Become a Statistic — Learn How to Protect Yourself

Identity theft, which occurs when someone uses your personal information to steal your hard-earned money and ruin your credit, is one of the nation's fastest growing crimes.

In recent years, Pennsylvania ranked No. 14 among the states with the highest rates of such thefts, which strike more than 15 million people a year, many of whom reported the fraudulent use of their credit cards and bank accounts. As a result, victims, ranging from the elderly to tourists and children, lost an estimated \$24.7 billion in 2013.

As a public service and to keep you and your family members from becoming a statistic, our township is sharing the following checklist from the Pennsylvania Attorney General's Office. We urge you to take these seven steps to protect your identity and your assets:

- 1) **Shred all sensitive documents, including bank statements, credit card bills, receipts, utility bills, ATM receipts, and pre-approved credit offers.**
- 2) **Use unique passwords that only you know.**  
Ideally, all passwords should be a minimum of eight characters and include at least one symbol that is not a number or letter, such as an ampersand (&) or percent symbol (%).
- 3) **Never write down your passwords.**  
Try to memorize all passwords so that the information is not susceptible to theft.
- 4) **Be wary of providing your Social Security, account, and credit card numbers, passwords, and user IDs.**  
Be suspicious of any communication that asks for this information or directs you to a website or toll-free number where you are asked to enter it.
- 5) **Secure your mail.**  
Never leave mail unchecked for long periods.
- 6) **Use extreme caution when surfing the Internet.**
- 7) **Check your credit report today.**  
Free reports are available from the following credit reporting bureaus:  
Trans Union, (800) 680-7289/[www.transunion.com](http://www.transunion.com); Equifax, (888) 766-0008/[www.equifax.com](http://www.equifax.com); and Experian, (888) 397-3742/[www.experian.com](http://www.experian.com).

One thing to keep in mind about identity theft: Some people have spent years trying to clear their name with creditors. However, with a dose of care and caution, you can avoid a similar headache.

## Boards, Authorities, Commissions & Officials

Pennsylvania counties are divided into four principal types of municipalities — cities, boroughs and townships of the first and second class — with each kind operating under a different code of State Laws. Chester County has one city (Coatesville), 15 boroughs, one township of the first class (Caln) and 56 townships of the second class.

In 1858, when the original Uwchlan Township was divided into Uwchlan and Upper Uwchlan, the present Upper Uwchlan Township was incorporated as a township of the second class. As such, it is permitted to elect and appoint certain officials. Elected officials are Supervisors, Auditors and Tax Collector. Each group is independent of the others.

Additionally, elected officials who represent Upper Uwchlan, as well as other Municipalities, are: School Director, District Justice, Constable and your Federal, State and County Representatives.

A list of who's who and how to contact them follows:

# Construction Has Begun on Phase II of the Route 100 Wastewater Treatment Plant

Construction of Phase II of the Route 100 Wastewater Treatment Plant has begun. Phase II consists of the construction of a Sequencing Batch Reactor Plant (SBR) and will double the daily treatment capacity of the Route 100 facility from 300,000 gallons per day to 600,000 gallons per day. What is an SBR? Simply put, an SBR plant uses both biological treatment and aeration to treat sewage. The treated effluent will be stored in the existing lagoons and eventually returned to one of the Township's drip or spray fields in a beneficial re-use process. Construction of the new plant is expected to take approximately 12-18 months, depending on the severity of our winter weather.

## Phase II Sewer Expansion Moving Forward!

The Phase II project also includes a sewer expansion that will bring public sewer to three subdivisions: Eagle Manor, Heather Hill, Windsor Place, and certain homes located on Little Conestoga Road within the project area. The Township's Municipal Authority is currently finalizing plans for the construction of a pump station and a collection and conveyance system that will serve the above-noted subdivisions. Construction of the pump station and the collection and conveyance system is expected to begin in the spring of 2015. All homeowners who reside within the project area have been contacted directly with project specifics. The Township and Municipal Authority will continue to provide these homeowners with all of the information available on the Phase II Sewer Expansion Project. For additional information on the above projects please visit our website located at [www.upperuwchlan-pa.gov](http://www.upperuwchlan-pa.gov). If you have any questions on either of these projects please feel free to contact the Township at 610-646-7015 or via email at [authority@upperuwchlan-pa.gov](mailto:authority@upperuwchlan-pa.gov).

## THE 6TH ANNUAL BLOCK PARTY WAS A GREAT SUCCESS!

The 6th Annual Block Party was a great success! Local vendors, Clowns, Magician, Musicians and Inflatable Bounces were some of the attractions at the Block Party event, held on Saturday, June 14, 2014. The Petting Zoo, Pony rides, face painting, great food from local vendors and fireworks added to the fun for kids and parents alike!

On behalf of the Upper Uwchlan Township's Park and Recreation Board, the Administrative Staff and Police Department of Upper Uwchlan, we would like to **THANK** all of our business sponsors for their contributions, volunteers, local fire companies and all of our residents, families and friends that came out to show their support of our Annual Block Party.

Again, thank you for your generous support and participation of our event and we look forward to another successful event in 2015!

Business sponsors included:

- AJ Blosenski
- Carmine's Eatery
- Eagle Tavern
- Golden Cakes
- Marsh Creek Signs
- Meade Heating & Cooling
- National Penn Bank
- Specialty Resources
- The Hankin Group
- Wolfington Buses

**The Township provides one (1) 96-gallon wheeled container for trash and one (1) 64-gallon wheeled container for recycling. These are to be used as the PRIMARY container for trash/recycling collection.**

The carts are easy to maneuver and have hinged lids to prevent blowing litter, reduce odors and keep pests out. The carts are township property and should be left at properties should you move.

The goal is to increase recycling participation and reduce solid waste costs.

## Compost Lawn and Leaf Collection: (17 collections annually - Wednesdays)

Seventeen (17) yard waste (including grass clippings) and leaf collections will occur throughout the year. Use your open containers (no lids) or Biodegradable Bags for leaf and yard waste disposal. Biodegradable bags are available at the Township Office for \$2.50/5-bag bundle. Leaf and yard waste debris placed in plastic bags will NOT be collected; this material is destined for the composting process.

### 2014-2015 Household Hazardous Waste Schedule [www.chestercountyswa.org](http://www.chestercountyswa.org)

### New Electronics Recycling Law!

Televisions, computers, monitors, laptops, etc. are no longer permitted to be disposed of with your household trash. A new State law, effective January 24, 2013, requires these items to be recycled. One recycling option is to contact the Stores where these electronics are typically purchased. Another disposal option is Chester County's Household Hazardous Waste (HHW) Events, which will now include electronics waste (E-Waste). For detailed information visit [www.dep.state.pa.us](http://www.dep.state.pa.us), menu item "Waste" or contact DEP's Recycling Hotline (800) 346-4242.

### Acceptable E-Waste:

CPUs/Laptop Computers, Monitors, Printers, CRT TVs, Non-CRT TVs, Cell Phones, Microwaves, Radios, Toner/Ink Cartridges

### Not Acceptable:

Explosives & Ammunition, Household Batteries, Tires, Appliances with Freon, Used Motor Oil, Latex Paint, Unidentified Waste, Smoke Detectors

### Holidays:

If your scheduled collection day falls upon a Holiday, your pick up will be the next day.

### Bulk Trash:

Please call the Township Office at 610-458-9400 to schedule a pick up of Bulk items. Chairs, toys, mattresses, small sofas, bed frames, bicycles. Appliances – DOORS MUST BE REMOVED FROM ALL APPLIANCES.

### Freon Items:

Please call the Township Office at 610-458-9400 to schedule pick-up of freon containing items such as refrigerators, freezers, air conditioners, and dehumidifiers.

# MS4 - Water Quality Improvement Program

Upper Uwchlan Township is committed to improving water quality in our watershed and is a part of the MS4 program.

**Winter De-icing** As snow piles up in the winter, we oftentimes turn to salt to melt snow and ice. Salt, however, causes adverse environmental impacts, especially on our streams and rivers. Excess salt can saturate and destroy a soil's natural structure and result in more erosion to our waterways. High concentrations of salt can damage and kill vegetation. Salt poses the greatest danger to fresh water ecosystems and fish. Studies in New York have shown that as salt concentrations increase in a stream, biodiversity decreases. Excess salt can seep into groundwater and storm water runoff. Effective ice control can help prevent excess salt runoff to our waterways.

- The first line of defense should simply be to shovel sidewalks and pathways to keep them clear and to prevent ice from forming. Also, consider that salt and de-icers are not effective when more than 3 inches of snow have accumulated.
- Consider the temperature. Salt and calcium magnesium acetate (CMA) have a much slower effect on melting snow and ice at temperatures below 25° Fahrenheit.
- Apply de-icing products discriminately, focusing on high-use areas and slopes where traction is critical. Apply the least amount necessary to get the job done. This will save money in product costs and will also help minimize property damage to paved surfaces, vehicles, and vegetation.
- Reduce salt and other chemicals by adding sand for traction.
- Plant native vegetation that is salt tolerant in storm water drainage swales and ponds that may receive salt-laden runoff. Not only will these native species have a greater chance for survival, but they will continue to act as an effective buffer for our local waterways.
- Store salt and other products on an impervious(impenetrable) surface, such as a basement floor, to prevent ground contamination. Also store products in a dry, covered area to prevent storm water runoff.

# Trash and Recycling Reminder

As a reminder, Upper Uwchlan Township now collects trash using an automated collection truck, with each collection limited to the one trash Toter issued by the Township. Please place your trash and recycling Toters at the curb, the night before collection, 3 feet apart and 3 feet from any immovable objects, such as motor vehicles, mail boxes, etc. \*Bulk pick-up is the 3rd pick-up of the month. You may place up to two (2) large items per month as bulk items in addition to your one (1) primary trash toter.

Do you have the one 64 gallon recycling Toter originally issued by the Township? Do you need additional recycling capacity? In an effort to emphasize single-stream recycling and make it as convenient as possible, the Township will either swap your 64 gallon recycling Toter with a new 96 gallon recycling Toter or issue you an additional recycling Toter, all at no additional cost to you. If you are interested in additional recycling capacity, please call Kathi McGrath at (610) 458-9400 to discuss your options.

## RECYCLABLE MATERIALS INCLUDE:

aluminum products, glass, plastic, cardboard, newspaper, magazines, periodicals, bulk mail, and phone books.

The Township is no longer legally allowed to collect e-waste such as televisions, computers, etc. Upcoming household hazardous waste and e-waste collections include.

**October 11, 2014 from 9:00 a.m. to 3:00 p.m.**

Chester County Government Services Center located at 601 Westtown Road, West Chester, PA 19380.

**October 18, 2014 from 9:00 a.m. to 3:00 p.m.**

## Public Works Department: SNOW

- Report unsafe road conditions to the Township office.
- Please remember to remove all sports equipment and basketball goals from the streets before the first snowfall. The Township is not responsible for damage to items left in the roadway. They inhibit snow plowing efforts and the items may be removed by Township personnel.
- Do not park in the street or plow your driveway snow into the street during snow or ice removal events.

### Snow Clearing Tip

- Our aim during snow removal is not to work against your driveway clearing efforts. Please allow our snow removal team to clear your street from curb to curb before you clear the last part of your driveway. We first make a pass in the center of the roadway on all streets so that if an emergency vehicle needed to get to you, they would have a clear lane. Then, we return to your street to finish clearing the road. If you clear your driveway all the way to the end before we complete our final pass, the plow will empty all the snow it is pushing into the void that you have created. If you wait until we have completed the clearing of your street, you will only have to clear one pass worth of snow.

# Finance Department Update

## Pennsylvania Dog Licensing Laws

### What are Pennsylvania's Dog Laws?

- All dogs three months or older must be licensed by January 1st of each year.
- An annual license is \$8.45 and a lifetime license is \$51.45. If the animal is spayed or neutered, the annual fee is \$6.45 and a lifetime is \$31.45. Discounts are available to older adults and people with disabilities.
- All dogs and non-feral cats three months of age and older must be vaccinated against rabies. Booster vaccinations must be administered periodically to maintain lifelong immunity.
- Violators can be cited with a maximum fine of \$300 per violation plus court costs.
- Licenses may be purchased through your local county treasurer, and in many areas at [www.padoglicense.com](http://www.padoglicense.com).

### Why get your dog licensed?

- A license is your dog's ticket home.
- If your dog gets lost, a current license is the fastest way for it to be reunited with you.
- Dogs lacking current licenses can be transferred to shelters far from their homes, and eventually adopted out if no owner is identified.

### Where does the money from the purchase of a license go?

- \$1 from each dog license sold is given to local county treasurers.
- The remaining money helps fund the Pennsylvania Department of Agriculture Dog Law Enforcement Office.

### General Dog Law information

- The Dog Law Enforcement Office is responsible for ensuring the welfare of breeding dogs and puppies in commercial breeding kennels, regulating activities pertaining to dogs that are classified as dangerous, and oversees annual licensure and rabies vaccinations for dogs.
- Complaints or tips can be submitted to the Dog Law Enforcement Office online at [www.licenseyourdogPA.com](http://www.licenseyourdogPA.com) or by contacting your local dog warden.
