## Waste less, recycle more!

In an effort to encourage more single stream recycling the Township will swap your existing toter for a 96 gallon OR provide a second 64 gallon toter, at no additional cost.

Call Kristin Roth at (610) 458-2318 to schedule your new toter delivery, or if your trash toter is damaged and needs repaired/replaced.

## Compost Lawn and Leaf Collection: 36 Collections Annually - Wednesdays

These collections are composted. Use biodegradable bags or open containers (no lids). Do NOT use plastic bags. Yard waste in plastic bags will not be collected. Tree limbs/branches must be bundled with twine no larger than 3' x 3' bundles, or placed in open containers with no lids. Bags are available for purchase at the Township building.

## 2016 Household Hazardous Waste Schedule

For Chester County Household Hazardous Waste information and events please visit:

[www.chestercountyswa.org](http://www.chestercountyswa.org)

The state law requires electronics be recycled separately. They are not permitted to be disposed of with your household waste.

The Chester County Landfill is currently accepting all electronics (free of charge) until December, 2016. Residents must take their electronics to the landfill for recycling. There will be no residential curbside collection of electronics.

For further details, please go to [www.chestercountyswa.org](http://www.chestercountyswa.org).

**Holidays:** If your scheduled collection day falls upon a Holiday, your pick up will be the next day.

**Bulk Trash:** Bulk pick-up is the 3rd collection of every month. You may place up to two (2) large items in addition to your one (1) primary waste toter. Examples: chairs, toys, mattresses, small sofas, bed frames, bicycles. Appliances – DOORS MUST BE REMOVED FROM ALL APPLIANCES.

If your item is still in good condition, please make every effort to give it a new home before putting it into the landfill. **\*No construction material accepted.**

**Freon Items:** Please call the Township Office to schedule pick-up of Freon containing items such as refrigerators, freezers, air conditioners, and dehumidifiers.

**Curbside Toters:** As a reminder, Upper Uwchlan collects solid waste using an automated collection truck. Each collection is limited to one (1) 96 gallon waste toter per household. Please place your waste and recycling toters three (3) feet apart and three (3) feet from any immovable objects, such as motor vehicles, mail boxes, bulk trash, etc. There is no limit to the amount of recycling that can be placed curbside.
