## MEMORANDUM

### ADMINISTRATION

**TO:** **Board of Supervisors**

**FROM:** **Cary B. Vargo**  
**Township Manager**

**RE:** **Solid Waste & Recycling Collection Contract Extension**

**DATE:** **June 8, 2018**

---

The Township awarded a three-year contract to A.J. Blosenki in April, 2015 for once weekly collection of solid waste and recycling materials, serving 3,177 residential customers in the Township. The effective dates of the contract are August 1, 2015 through July 31, 2018. The annual cost for collection of solid waste and recycling materials during this contract period was \$563,854. The Township has the option of two (2) one (1) year extensions with the cost of the first one-year extension (August 1, 2018 through July 31, 2019), per the bid, being \$648,533 – a 15% increase in collection costs over the original three-year base bid. Recent historical collection costs are below for your reference.

### Historical Solid Waste & Recycling Collection Costs

Contract Term	Solid Waste & Recycling Cost	+/-
2010 - 2013	\$486,528	N/A
2013 - 2014	\$526,125	8%
2014 - 2015	\$566,909	7.5%
2015 - 2018	\$563,854	(.005%)
2019 (Current One Year Extension)	\$648,433	15%

The year 4 increase in collection costs represents a 5% annual increase for the current three-year contract term. Based on current trends in recycling markets and quality of service received, staff is recommending that the BOS award the one-year (year 4)

contract extension, August 1, 2018 through July 31, 2019 in the amount of **\$648,433**. This contract amount is well within budget and will not require an increase in Solid Waste & Recycling collection fees. Based on the proposed cost for collection in year 5 (August 1, 2019 through July 31, 2010) staff will be researching market trends, communicating with other local municipal officials, and working with the Chester County Solid Waste Authority and the Recycling Consortium to put together a bid for Solid Waste & Recycling Collection services. The contract extension will be on your agenda for your June 18, 2018 meeting.
