

BOARD OF SUPERVISORS

WORKSHOP

AGENDA

March 12, 2019

4:00 p.m.

- I. Township Manager's Report
- II. Township Building Renovation / Expansion Bid Results - Review and Discuss
- III. Upcoming Events:
 - April 6, 2019 Electronics Recycling Collection
9:00-Noon at Public Works / 132 Oscar Way
 - April 9, 2019 Joint Boards & Commissions Workshop
4:00 p.m. at the Township Building
 - April 13, 2019 Easter Egg Hunt
10:00 a.m. at Hickory Park / 351 Park Road
- IV. Open Session
- V. Adjournment
- VI. Executive Session: Personnel, Legal matters

UPPER UWCHLAN TOWNSHIP

MEMORANDUM

ADMINISTRATION

TO: **Board of Supervisors**

FROM: **Cary B. Vargo**
Township Manager

RE: **Managers Report**

DATE: **March 8, 2019**

1. **Park Road Trail Project – Phase IV** – Clearing and grubbing is scheduled to begin on Monday, March 11, 2019. Project inspectors have established an office at Hickory Park and will occupy that space until the project is completed. Residents and motorists will soon see significant construction activity. The Township will continue to actively communicate news items specific to this project using the website and social media. This project is expected to be completed by October 31, 2019.
2. **Milford Road Bridge Replacement** – Milford Road was closed, and the posted detour implemented on Monday, March 4, 2019 as advertised and scheduled. The contractor has mobilized, and demolition of the bridge has begun.
3. **Sunderland Avenue Roadway Extension** – Construction on the Sunderland Avenue roadway extension has started with tree clearing and the placement of construction entrances on both the Upper Uwchlan and West Vincent sides of the project. The BOS and the public will be updated as Toll's contractor makes progress.
 - a. **March 8, 2019** – After a winter weather hiatus, activity on this project has begun again. Construction of this roadway connection is scheduled to be complete this construction season.
4. **Upland Farms Barn** – Propane heaters have been installed inside of the barn and are operational. Archer Buchanan is currently completing the construction plans in their entirety. The Township expects to receive and review the completed plans no

later than April 15, 2019. Upon review of the plans and the updated cost estimate, a capital project recommendation will come in front of the BOS.

5. **Municipal Solid Waste & Recycling Collection Contract** – The contract for these services has been advertised as required by Second Class Township Code. A pre-bid meeting has been scheduled for Monday, March 11 and bids are due Monday, April 1, 2019. The new contract is scheduled to begin on August 1, 2019. No service changes are being recommended or expected.
6. **Winter Weather Event Tracking** – The GPS tracking of winter weather clearing activities has worked well for all snow/ice events this winter. The Winter Weather Tracking Map will be publicly advertised in advance of the 2019-2020 winter season.
<https://www.upperuwchlan-pa.gov/93/Snow-Removal>
7. **Pottstown Pike Mill and Overlay** – Pottstown Pike, from Welsh Pool Road to just south of Garrison Drive (Windsor Ridge) is on PennDOT's schedule for a mill and overlay in 2019. I do not have specifics on the timing of the project. When notified, the Township will communicate the work to our residents using the website and social media.
8. **Township Building Expansion** – Please see the attached bid tabulation. The project team (architect and project managers), are currently reviewing the bids and the schedule of values from a number of contractors. This total low bid is \$4,338,851, including allowances. This is well over the 75% estimate received in January of this year. A detailed memorandum and recommendation will be forthcoming. No action is requested on Tuesday, discussion purposes only.
