SUBJECT: Park Facility and Field Use Policy Revisions

DATE: March 5, 2021

---

This Park Facility and Field Use Policy was adopted by the Board of Supervisors in 2017. The policy has been effective in the regulation of the use of the Township park facilities. Periodic revisions were expected and are now due.

Attached please find a revised version of the policy. Changes included in this revision include formatting and grammar corrections and adjustments made for clarity; changes based upon current operations, which include clarification regarding the online reservation system and the removal of all references to tournaments; and the following additions: pickleball and basketball were added to the facilities list, a restriction was added prohibiting use for private lessons; and terms for use in case of public health and safety concerns.

I respectfully request that the Board approve the Park Facility and Field Use Policy as revised.

## 2021 "PENNSYLVANIA 811 SAFE DIGGING MONTH" COMMUNICATIONS PLAN

---

### INTRODUCTION

Safe Digging Month is an awareness initiative sponsored by Pennsylvania 811 for the month of April. Traditionally outdoor projects start in the spring. Pennsylvania 811 Safe Digging Month serves as a reminder to all excavators and homeowners to call 811 at least three business days before you dig, so that the approximate location of their underground utility lines can be identified and marked by facility owners. The call before you dig process helps to prevent injuries, property damage, and inconvenient utility outages.

Safe Digging is a shared responsibility among excavators, homeowners, and facility owners. The Common Ground Alliance (CGA), a member-driven association committed to raising the public's awareness of underground safety, conducted a recent survey where approximately four in ten homeowners stated that they plan to dig on their property this year for an outdoor home or property improvement project. Of those homeowners who plan to dig, forty-five percent **did not plan** to call 811 before they dig. Two-thirds of homeowners believe they would not hit an unmarked underground utility line or cause a service outage if they dug without calling 811; however, the survey also revealed that **every three minutes an underground line is damaged**, and in 2019, the costs of damages to buried utilities in the U.S. was estimated at **\$30 billion**.

What can you do to promote Pennsylvania 811 Safe Digging Month? As underground stakeholders, you can promote Pennsylvania 811 Safe Digging Month by posting 811-safety information on your social media pages and website. In addition, you can also publish articles in your company's newsletters and bulletins to get the message out to homeowners.

Municipalities can also assist in promoting Pennsylvania 811 Safe Digging Month within their communities. Many municipalities and fire companies will place an 811-safety message on their community marquees to inform the public of Pennsylvania 811 Safe Digging Month. In addition, some local municipalities, counties and the state will also issue a Proclamation or Resolution declaring that April is Pennsylvania 811 Safe Digging Month.

Help Pennsylvania 811 spread this valuable safety message. You can receive information about April Pennsylvania 811 Safe Digging Month by contacting a Damage Prevention Liaison at [www.pa1call.org/liaisons](http://www.pa1call.org/liaisons).

fee or a payment for the use of the Cable System for the sale of such merchandise, which portion shall be included in Gross Revenue;

1.18.6 The sale of Cable Services on the Cable System for resale in which the purchaser is required to collect cable franchise fees from purchaser's customer;

1.18.7 Any tax of general applicability imposed upon the Franchisee or upon Subscribers by a local, state, federal, or any other governmental entity and required to be collected by the Franchisee and remitted to the taxing entity (including, but not limited to, sales/use tax, gross receipts tax, excise tax, utility users tax, public service tax, communication taxes, and non-cable franchise fees);

1.18.8 Any forgone revenue that the Franchisee chooses not to receive in exchange for its provision of free or reduced cost cable or other communications services to any Person, including without limitation, employees of the Franchisee and public institutions or other institutions designated in the Franchise; provided, however, that such forgone revenue that the Franchisee chooses not to receive in exchange for trades, barter, services, or other items of value shall be included in Gross Revenue;

1.18.9 Sales of capital assets or sales of surplus equipment that are not deemed to be a Cable Service;

1.18.10 Program launch fees;

1.20 *Internet Access*: Dial-up or broadband access service that enables Subscribers to access the Internet.

1.21 *Non-Cable Services*: Any service that is not a Cable Service as defined herein, including, but not limited to, Information Services and Telecommunications Services.

1.22 *Normal Operating Conditions*: Those service conditions that are within the control of the Franchisee. Those conditions that are not within the control of the Franchisee include, but are not limited to, natural disasters, civil disturbances, power outages, telephone network outages, and severe or unusual weather conditions. 1.28 *Telecommunications Facilities*: Franchisee's existing Telecommunications Services and Information Services facilities and its FTTP Network facilities.

1.29 *Telecommunication Services*: Shall be defined herein as it is defined under Section 3 of the Communications Act, 47 U.S.C. § 153(46), as may be amended in the future, which states "the offering of telecommunications for a fee directly to the public, or such classes of users as to be effectively available directly to the public, regardless of the facilities used."

1.30 *Title II*: Title II of the Communications Act, Common Carriers, as amended, which governs the provision of Telecommunications Services.

1.32 *Township*: The incorporated area (entire existing territorial limits) of the Township and such additional areas as may be included in the corporate (territorial) limits of the Township during the term of this Franchise.

1.33 *Transfer of the Franchise*:

1.33.1 Any transaction in which:

1.33.1.1 the right, title, control or other interest in the Franchisee is transferred, directly or indirectly, from one Person or group of Persons to another Person or group of Persons, so that control of the Franchisee is transferred; or

1.35 *Video Service Provider or VSP*: Any entity using wired facilities occupying a substantial portion of the Public Rights-of-Way as the primary means of delivery to provide Video Programming services to multiple subscribers within the territorial boundaries of the Township, for purchase, barter, or free of charge, regardless of the transmission method, facilities or technologies used. A VSP shall include, but is not limited to, any entity that provides Cable Services, Video Programming services or internet-protocol based services within the territorial boundaries of the Township.

## **2. GRANT OF AUTHORITY; LIMITS AND RESERVATIONS**

2.1 *Grant of Authority*: Subject to the terms and conditions of this Agreement and applicable laws and regulations, the Township hereby grants to the Franchisee the right to own, construct, operate, and maintain a Cable System to provide Cable Services along the Public Rights-of-Way within the Township. No privilege or power of eminent domain is bestowed or waived by this grant. Furthermore, consistent with Section 2.2 below, the Township's grant of authority to provide Cable Services pursuant to this Franchise does not include the authority to provide any Non-Cable Services.

2.2 *Township's Regulatory Authority*: The parties recognize that the Franchisee's FTTP Network has been constructed and is operated and maintained as an upgrade to and/or extension of its existing Telecommunications Facilities for the provision of Non-Cable Services. The jurisdiction of the Township over the Franchisee's Telecommunications Facilities is governed by federal and state law, and the Township will not assert jurisdiction over the Franchisee's FTTP Network in contravention of those laws. Therefore, as provided in Section 621 of the Communications Act, 47 U.S.C. § 541, the Township's regulatory authority under Title VI of the Communications Act is not applicable to the construction, installation, maintenance, or operation of the Franchisee's FTTP Network to the extent the FTTP Network is constructed, installed, maintained, or operated for the purpose of upgrading and/or extending Verizon's existing

Telecommunications Facilities for the provision of Non-Cable Services. This Agreement shall not be construed to limit whatever existing regulatory authority the Township may have under federal and state law with respect to the FTTP Network facilities.

2.3 *Term:* This Franchise shall become effective on \_\_\_\_\_, 2021 (the “Effective Date”). The term of this Franchise shall be five (5) years from the Effective Date until \_\_\_\_\_ unless the Franchise is earlier terminated by Franchisee pursuant to the terms of Sections 2.4 or 2.5 of this Agreement or revoked by the Township pursuant to Section 12.4 of this Agreement.

2.4 *Termination Generally:* If, at any time during the renewal Term, Franchisee experiences a net decline of six percent (6%) or greater of its Subscribers in the Franchise Area in any prior twelve (12) month period (for purposes of clarification, any such twelve (12) month evaluation period shall not commence prior to the Effective Date), Franchisee shall thereafter have the right to terminate the Franchise upon twelve (12) months’ written notice to the Township.

2.5 *Modification/Termination Based on VSP Requirements/Competitive Equity:*

2.5.1 If there is a change in federal, state, or local law that reduces any material financial and/or operational obligation that the Township has required from or imposed upon a VSP, or if the Township enters into any franchise, agreement, license, or grant of authorization to a VSP to provide Video Programming services to residential subscribers in the Township and the agreement, license or grant of authorization, taken as a whole upon consideration of all of its material obligations, is less burdensome than those imposed by this Franchise, Franchisee and the Township shall, within sixty (60) days of the Township’s receipt of Franchisee’s written notice, commence negotiations to modify this Franchise to create reasonable competitive equity between Franchisee and such other VSPs.

2.5.2 Franchisee’s notice pursuant to Section 2.5.1. shall specify the change in law and the resulting change in obligations. Franchisee shall respond to reasonable information requests from the Township, as may be necessary to review the change in obligations resulting from the cited law.

2.6 *Grant Not Exclusive:* The Franchise and the rights granted herein to use and occupy the Public Rights-of-Way to provide Cable Services shall not be exclusive, and the Township reserves the right to grant other franchises for similar uses or for other uses of the Public Rights-of-Way, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this Franchise. Any such rights that are granted shall not materially interfere with existing facilities of the Cable System or the Franchisee’s FTTP Network.

2.7 *Franchise Subject to Federal, State, and Local Law:* Notwithstanding any provision to the contrary herein, this Franchise is subject to and shall be governed by all applicable provisions of federal, state, and local laws and regulations.

2.8 *No Waiver:*

2.8.1 The failure of the Township on one or more occasions to exercise a right or to require compliance or performance under this Franchise, the Communications Act, or any other applicable state or federal law shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance by the Township, nor to excuse the Franchisee from complying or performing, unless such right or such compliance or performance has been specifically waived in writing.

2.8.2 The failure of the Franchisee on one or more occasions to exercise a right under this Franchise or applicable law, or to require performance under this Franchise, shall not be deemed to constitute a waiver of such right or of performance of this Agreement, nor shall it excuse the Township from performance, unless such right or performance has been specifically waived in writing.

2.9 *Construction of Agreement:*

2.9.1 The provisions of this Franchise shall be liberally construed to effectuate their objectives.

2.9.2 Nothing herein shall be construed to limit the scope or applicability of Section 625 Communications Act, 47 U.S.C. § 545.

2.9.3 Should any change to federal or state law have the lawful effect of materially altering the terms and conditions of this Agreement making it commercially impracticable for Franchisee to continue the provision of Cable Services in the Township, then the parties shall modify this Franchise to the mutual satisfaction of both parties to ameliorate the negative effects on the Franchisee and the Township of the material alteration. Any modification to this Franchise shall be in writing and signed by both parties. If the parties cannot reach agreement on the above-referenced modification to the Franchise, then upon either party's initiative, the parties agree to submit the matter to binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association.

2.10 *Police Powers:* Nothing in this Franchise shall be construed to prohibit the reasonable, necessary, and lawful exercise of the police powers of the Township. The Township shall not subject the Franchisee to any ordinances or regulations that are that are in conflict with this Franchise.

2.11 *Compliance with Federal and State Privacy Laws:* Franchisee shall comply with the privacy provisions of Section 631 of the Communications Act, 47 U.S.C. §551, and all other applicable federal and state privacy laws and regulations. The parties agree that, during the term hereof, Franchisee shall not be subject to any local laws or ordinances which, directly or indirectly, conflict with or exceed the scope of such applicable federal and/or state privacy laws.

2.12 *Permits:* Nothing herein shall be construed to limit the Township's lawful authority to require permits and applicable fees for certain activities in the Public Rights-of-Way;

provided, however, that the Franchisee shall not be required to obtain permits for Cable Service drops for individual Subscribers.

### 3. **PROVISION OF CABLE SERVICE**

#### 3.1 *Service Area:*

3.1.1 *Service Area:* Subject to the issuance of all necessary permits by the Township, the Franchisee shall offer Cable Service to all residential households in the Service Area and may make Cable Service available to businesses in the Service Area, except: (A) for periods of Force Majeure; (B) for periods of unreasonable delay caused by the Township; (C) for periods of delay resulting from the Franchisee's inability to obtain authority to access rights-of-way in the Service Area; (D) in areas where developments, buildings or other residential dwelling units are subject to claimed exclusive arrangements with other providers; (E) in areas, developments, buildings or other residential dwelling units where the Franchisee cannot gain access under reasonable terms and conditions after good faith negotiation, as reasonably determined by the Franchisee; (F) in areas, developments, buildings or other residential dwelling units where the Franchisee is unable to provide Cable Service for technical reasons or which require non-standard facilities which are not available on a commercially reasonable basis, including, but not limited to, circumstances where the Franchisee cannot access the areas, developments, buildings or other residential dwelling units by using the Franchisee's existing network pathways and which would thus require the construction of new trunk, feeder, or distribution lines; (G) in areas where the occupied residential household density does not meet the density requirements set forth in subsection 3.1.1.1; and (H) in areas, developments, buildings or other residential dwelling units that are not habitable or have not been constructed as of the Effective Date.

3.1.1.1 *Density Requirement:* Subject to Section 3.1.1, above, the Franchisee shall make Cable Services available to residential dwelling units in all areas of the Township where the minimum density is thirty (30) occupied residential dwelling units per mile as measured in strand footage from the nearest technically feasible point on the active FTTP Network trunk or feeder line.

3.2 *Availability of Cable Service:* Franchisee shall make Cable Service available to all residential dwelling units and may make Cable Service available to businesses within the Service Area in conformance with Section 3.1, the Franchisee shall not discriminate between or among any individuals in the availability of Cable Service. In the areas in which the Franchisee shall provide Cable Service, the Franchisee shall be required to connect, at the Franchisee's expense, other than a standard installation charge, all residential dwelling units that are within two hundred (200) feet of trunk or feeder lines not otherwise already served by the Franchisee's FTTP Network. The Franchisee shall be allowed to recover, from a Subscriber that requests such connection, no more than the actual costs incurred in excess of two hundred (200) feet for residential dwelling unit connections that exceed two hundred (200) feet and actual costs incurred to connect any non-residential dwelling unit Subscriber.

3.3 *Cable Service to Public Buildings:* If there is final determination or ruling of any agency or court having jurisdiction, after exhaustion of all appeals related thereto, that the

provision of free or discounted Cable Service to public buildings pursuant to a cable franchise should no longer be included in the calculation of franchise fees subject to the five percent (5%) statutory cap under the Communications Act, then, subject to Section 3.1 if requested by the Township pursuant to written notice to Franchisee, Verizon shall provide, without charge, one service outlet activated for Basic Service to the following:

3.3.1 Each current municipal building, fire station, and public library as may be designated by the Township in Exhibit A; provided, however, that if it is necessary to extend Franchisee's trunk or feeder lines more than two hundred (200) feet solely to provide service to any such public building, the Township shall have the option either of paying Franchisee's direct costs for such extension in excess of two hundred (200) feet, or of releasing Franchisee from the obligation to provide service to such public building. Furthermore, Franchisee shall be permitted to recover, from any public building owner entitled to free service, the direct cost of installing, when requested to do so, more than one outlet, or concealed inside wiring, or a service outlet requiring more than two hundred (200) feet of drop cable; provided, however, that Franchisee shall not charge for the provision of Basic Service to the additional service outlets once installed.

The Township will comply with all laws and regulations related to use of the EG Channels. The parties agree that Franchisee shall retain the right to utilize all such reserved EG Channel capacity, in its sole discretion, during the Term of this Franchise until such time as the Township begins using the EG Channel pursuant to Section 5.1.2 for educational and/or governmental purposes and/or if the Township ceases to use the Access Channel(s) during the term of this Agreement.

5.1.2 The Township reserves the right to obtain from the Franchisee, upon one hundred and twenty (120) days written notice, one EG Channel for exclusive use by the Township. Such notification shall constitute authorization to the Franchisee to transmit such programming within and without the Township. The Franchisee shall assign the EG Channel number to the extent such channel number assignments do not interfere with the Franchisee's existing or planned channel number line-up and contractual obligations, provided it is understood that the Franchisee specifically reserves the right to make such assignments in its sole discretion.

The EG Channel shall be used for community programming related to educational and/or governmental activities. The Township shall have complete control over the content, scheduling, and administration of the EG Channel and may delegate such functions, or a portion of such functions, to an appropriate designee. The Township and the Franchisee shall work together in good faith to resolve any connection issues. In the event that any Franchise Fee payment is not made on or before the applicable dates, then interest shall be added at the rate of six percent (6%) of the amount of Franchise Fee revenue due to the Township. No acceptance of any payment shall be construed as an accord that the amount paid is the correct amount. The Franchisee shall be allowed to submit or correct any payments that were incorrectly omitted, and shall credit any payments that were incorrectly submitted, in connection with the quarterly Franchise Fee remittances within ninety (90) days following the close of the calendar year for which such payments were applicable. If the Township issues or renews any cable franchise(s) after the Effective Date that provide(s) for a lower percentage of a Franchise Fee, then the percentage of the Franchisee's Franchise Fee payments shall be immediately thereafter reduced to match such lower percentage over that same time period.

Any audit shall be initiated through written notice to the Franchisee by the Township, and the Township or any auditor employed by the Township shall submit its complete request for records within sixty (60) days of the Township's notice; provided, however, that the parties shall work cooperatively on an ongoing basis during the audit review in the event the Township or its designated auditor identifies reasonable follow-up records requests to the extent necessary to complete the audit. Subject to the confidentiality provisions of Section 8.1, and execution of a non-disclosure agreement with the Township or an auditor employed by the Township, all records reasonably necessary for any such audit shall be made available by the Franchisee to the Township, in accordance with Section 8.1 hereof, at a designated office of the Franchisee or such other location in the eastern region of the Commonwealth of Pennsylvania mutually agreed upon by the parties.

Any such audit conducted by the Township or auditor employed by the Township shall be completed in a timely manner. If upon completion of the audit, the Township does not make a claim for additional payments, then the Township shall provide the Franchisee with written documentation of closure of the audit. The Township's claim for additional Franchise Fee payments or its written notice of the audit closure shall be provided to the Franchisee within sixty (60) days from the date on which the audit is completed by the Township or its auditor in accordance subsection 6.4.1, above, or by such other date as is mutually agreed to by the parties.

6.4.3 Each party shall bear its own costs of an audit; provided, however, that if the results of any audit indicate that the Franchisee underpaid the Franchise Fees by five percent (5%) or more, then the Franchisee shall pay the reasonable, documented, out-of-pocket costs of the audit up to three thousand dollars (\$3,000).

6.4.4 If the results of an audit indicate an underpayment of franchise fees, the parties agree that such underpayment shall be remitted to the Township within forty-five (45) days; provided, however, that the Franchisee shall be required to remit underpayments to the Township together with interest at six percent (6%) of the amount correctly due from the date such underpayment would have been due.

6.4.5 Any entity employed by the Township that performs the audit or franchise fee review shall be a professional firm with recognized expertise in auditing franchise fees and shall not be permitted to be compensated on a success-based formula *e.g.* payment based on an underpayment of fees, if any.

6.5 *Bundled Services:* If Cable Services are provided to Subscribers in conjunction with Non-Cable Services, then the calculation of Gross Revenues shall be adjusted, if needed, to include only the value of the Cable Services billed to Subscribers, as reflected on the books and records of the Franchisee in accordance with FCC rules, regulations, standards, or

orders. Franchisee agrees that it will not intentionally or unlawfully allocate such revenue for the purpose of evading payments under this Franchise. The parties agree that tariffed Telecommunications Services that cannot be discounted by state or federal law or regulation are to be excluded from the bundled discount allocation basis.

If the Franchisee claims any information to be proprietary or confidential, it shall identify the information and provide an explanation as to the reason it is claimed to be confidential or proprietary. The Township shall treat any information disclosed by the Franchisee as confidential so long as it is permitted to do so under applicable law, and shall only disclose it to employees, representatives, and agents thereof that have a need to know, or in order to enforce the provisions hereof. The Franchisee shall not be required to provide Subscriber information in violation of Section 631 of the Communications Act, 47 U.S.C. § 551.

12. **ENFORCEMENT AND TERMINATION OF FRANCHISE**

12.1 *Notice of Non-Compliance:* If at any time the Township believes that the Franchisee has not complied with the terms of the Franchise, the Township shall informally discuss the matter with the Franchisee. If these discussions do not lead to resolution of the problem in a reasonable time, the Township shall then notify the Franchisee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the “Noncompliance Notice”). If the Township does not notify the Franchisee of any alleged noncompliance, it shall not operate as a waiver of any rights of the Township hereunder or pursuant to applicable law.

12.2 *Franchisee’s Right to Cure or Respond:* The Franchisee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond to the Township in writing, if Franchisee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance, diligently pursue such remedy to completion, and notify the Township of the steps being taken and the date by which they are projected to be completed. Upon cure of any noncompliance, the Township shall provide written confirmation that such cure has been effected.

12.3 *Liquidated Damages:* After the time period set forth in Sections 12.1-12.2 above, in the event that the Township finds that an alleged noncompliance continues to exist and that the Franchisee has not corrected the same in a satisfactory manner or has not diligently commenced correction of such violation, the Franchisee agrees that the Township may recover liquidated damages from the Franchisee in the amounts set forth below following the notice and opportunity to cure provisions set forth in Sections 12.1-12.2 above; provided, however, that if the Franchisee disputes the assessment of any liquidated damages hereunder, the Franchisee may request and the Township agrees to schedule a public hearing with regard to such dispute. Following the notice and opportunity to cure periods in Sections 12.1-12.2 above, the Township shall provide the Franchisee with written notice that it intends to elect the liquidated damage remedies set forth herein. If the Township elects to recover liquidated damages for any item set forth in this Section 12.3 (including customer service violations), the Township agrees that such recovery shall be its exclusive remedy for the time period in which liquidated damages are assessed; provided, however, once the Township has ceased to assess its liquidated damages remedy as set forth in Section 12.3.2, it may pursue other available remedies.

12.3.1 Pursuant to Section 12.2, the following monetary damages shall apply:

12.3.2 The amount of all liquidated damages per annum shall not exceed fifteen thousand dollars (\$15,000) in the aggregate. All similar violations or failures from the same factual events affecting multiple subscribers shall be assessed as a single violation, and a violation or a failure may only be assessed under any one of the above-referenced categories. Violations or failures shall not be deemed to have occurred or commenced until they are not cured as provided in Section 12.

12.3.3 Except as otherwise provided herein, any liquidated damages assessed pursuant to this section shall not be a limitation upon any other provisions of this Franchise and applicable law, including revocation.

12.4 *Additional Enforcement Measures:* Subject to applicable federal, state and local law, in the event the Township determines that the Franchisee is in default of any provision of this Franchise, the Township may:

12.4.1 Commence an action at law for monetary damages or seek other equitable relief; or

12.4.2 In the case of a substantial noncompliance with a material provision of this Franchise, seek to revoke the Franchise in accordance with Section 12.5 below.

12.5 *Revocation:* Should the Township seek to revoke this Agreement, and the Township chooses not to impose liquidated damages or ceases to impose liquidated damages, the

The Franchisee shall have sixty (60) days from receipt of such notice to object in writing and to state its reasons for such objection. The Township shall cause to be served upon the Franchisee, at least thirty (30) days prior to such public hearing, a written notice specifying the time and place of such hearing.

12.5.1 At any designated public hearing at which the Township has informed the Franchisee that revocation is a possible consequence in accordance with the written notice requirements, the Franchisee shall be provided a fair opportunity for full participation, including the rights to be represented by legal counsel, to introduce relevant evidence, and to require the production of evidence. A complete verbatim record and transcript shall be made of such hearing at the Franchisee's sole cost and expense.

12.5.2 Following the public hearing, the Franchisee shall be provided up to thirty (30) days to submit its proposed findings and conclusions to the Township in writing, and thereafter the Township shall provide a written determination to the Franchisee setting forth: (i) whether an event of default has occurred under this Agreement; (ii) whether such event of default is excusable; and (iii) whether such event of default has been cured by the Franchisee. The Township shall also determine whether it will revoke the Franchise based on the information presented or, in the discretion of the Township, grant additional time to the Franchisee to effect any cure. If the Township determines that it will revoke the Franchise, the Township shall promptly provide the Franchisee with a written determination setting forth the Township's reasoning for such revocation. The Franchisee may appeal such written determination of the Township to an appropriate court of competent jurisdiction, which will have the power to review the determination of the Township consistent with applicable law. Inquiries received after Normal Business Hours shall be responded to by a trained company representative on the next business day.

B. The Franchisee's telephone numbers shall be listed, with appropriate description (e.g. administration, customer service, billing, repair, etc.), in the directory published by the local telephone company or companies serving the Service Area, beginning with the next publication cycle after acceptance of this Franchise by the Franchisee.

The Franchisee shall notify the Township of such a change at least thirty (30) days in advance of any implementation. The Franchisee shall not be required to acquire equipment or perform surveys to measure compliance with the telephone answering standards above unless a historical record of complaints indicates a clear failure to comply.

### **SECTION 3: INSTALLATIONS AND SERVICE APPOINTMENTS**

A. All installations will be in accordance with the rules of the FCC, the National Electric Code, and the National Electrical Safety Code, including but not limited to, appropriate grounding, connection of equipment to ensure reception of Cable Service, and the provision of required consumer information and literature to adequately inform the Subscriber in the utilization of Franchisee-supplied equipment and Cable Service.

B. The Standard Installation shall be performed within seven (7) business days after the placement of the Optical Network Terminal ("ONT") on the customer's premises or within seven (7) business days after an order is placed if the ONT is already installed on the customer's premises.

These hour restrictions do not apply to weekends. The Franchisee may not cancel an appointment with a Subscriber after the close of business on the business day prior to the scheduled appointment. If a technician is running late for an appointment with a Subscriber and will not be able to keep the appointment as scheduled, the Subscriber will be contacted. The appointment will be rescheduled, as necessary, at a time which is convenient for the Subscriber.

Notwithstanding the foregoing, the Franchisee may perform modifications, repairs, and upgrades to the Cable System between 12:01 a.m. and 6:00 a.m. which may interrupt service.

B. Under Normal Operating Conditions, the Franchisee must Respond to a call from a Subscriber regarding a Service Interruption or other service problem within the following time frames:

recurring charges for the proportionate time the Cable Service was out, or a credit to the affected Subscribers in the amount equal to the charge for the basic plus enhanced basic level of service for the proportionate time the Cable Service was out, whichever is technically feasible or, if both are technically feasible, as determined by the Franchisee provided such determination is non-discriminatory. Such credit shall be reflected on a subsequent Subscriber billing statement.

H. With respect to service issues concerning Cable Services provided to the Township facilities, the Franchisee shall Respond to all inquiries from the Township within four (4) hours and shall commence necessary repairs within twenty-four (24) hours under Normal Operating Conditions and shall diligently pursue to completion. If such repairs cannot be completed within twenty-four (24) hours, the Franchisee shall notify the Township in writing as to the reason(s) for the delay and provide an estimated time of repair.

J. The Franchisee may provide all notices identified in this Section electronically or on-screen.
