INTRODUCTORY SECTION

Upper Uwchlan Township

June 29, 2021

Citizens of Upper Uwchlan Township,
Members, and Board of Supervisors

On behalf of the Finance Department and all Township staff, we are pleased to present the comprehensive annual financial report for the year ended December 31, 2020. The purpose of the comprehensive annual financial report is to convey a detailed and transparent representation of the financial position of the governmental, proprietary, and fiduciary funds of the Township. Township management is responsible for the preparation and fair representation of the financial statements in accordance with generally accepted accounting procedures and takes full responsibility for the preparation and presentation of said information. As part of this preparation, the Township has designed and implemented a comprehensive system of internal controls over financial reporting that assist in providing reasonable assurance that the financial statements are fairly presented. In developing this system of internal controls, consideration was given to ensure that the controls provided reasonable, but not absolute assurance that Township assets are safely guarded from loss or unauthorized use, that the accounting records used to prepare the financial statements are reliable, and that accountability for the records is maintained. The concept of reasonable assurance recognizes that the costs and benefits of implementing these controls require estimates and judgments by management.

The financial statements have been audited by Barbacane, Thornton & Company LLP, Wilmington, Delaware. The comprehensive annual financial report contains an independent auditor's report, management's discussion and analysis, a series of basic financial statements, supplementary information, statistics, and Single Audit. The comprehensive annual financial report, in its entirety, as a supplemental document to the annual Township budget clearly communicates the priorities, goals, and objectives of the Township as they relate to services provided to our community. We would encourage readers of this report to take the time to review all available sections in order to obtain a clear understanding of Township operations and both the short-term and long-term financial position of the Township.

Upper Uwchlan Township

Township Profile

Upper Uwchlan, originally incorporated as a municipality in 1858, is a township of the second class located in central Chester County, approximately 30 miles west of Philadelphia, Pennsylvania and 25 miles north of the City of Wilmington, Delaware. Upper Uwchlan Township is one of 73 municipalities that make up Chester County, Pennsylvania, one of the three original Pennsylvania Counties created by William Penn in 1682 (Philadelphia and Bucks being the other two). Upper Uwchlan Township is approximately 12.12 square miles in size with a population of 11,227 as reported in the 2010 census. In 2020, there were 4,107 residential parcels in the Township with a median value of \$442,300 and a total assessed valuation of \$890,759,535. This compares to a median value in Chester County of \$357,100 and \$180,200 in the Commonwealth of Pennsylvania. The median family income in Upper Uwchlan Township in 2019 (the most recent year for which demographic information is available) was \$173,385 compared to \$100,214 and \$61,744 for Chester County and the Commonwealth of Pennsylvania, respectively. Township residents are well educated. The majority (97.5 percent) of Township residents are high school graduates and 71.1 percent have a Bachelor's degree or higher.

The ten largest employers in Upper Uwchlan Township provide approximately 1,900 jobs. Most businesses within the Township are small retail or professional offices.

Marsh Creek State Park is located in Upper Uwchlan and Wallace Townships. It is the location of the 535-acre man-made Marsh Creek Lake, which was created when Marsh Creek was dammed in the early 1970s. It has an average depth of 40 feet (73 feet at its deepest); it is stocked with fish and is a stop for migrating waterfowl. Fishing and non-powered or electric powered boats are permitted. A portion of the park is open to hunting. There are about 12 miles of trails available for equestrian use, hiking, and mountain biking around the lake.

The Township owns over 90 acres of passive and active recreational land in four parks – Upland Farms (56 acres), Hickory Park (32 acres), Fellowship Fields (17 acres), Larkins Field (7.2 acres), and Eagle Crossroads Park (approximately 1 acre).

Upper Uwchlan Township has its own full-time police department, which in July 2016 received Pennsylvania Chiefs of Police Association Accreditation. Accreditation communicates a commitment to best management practices in law enforcement, community relations, and communications and reduces exposure to lawsuits and liability. The awarding of accreditation status was the culmination of four years of hard work and commitment by the leadership team within our police department and all of our police officers; we are very proud of their accomplishments. The Township is served by four volunteer fire companies from surrounding Townships and three EMS organizations, all staffed by committed, well-trained personnel.

2020 In Review

The Township's operations were only minimally affected by the COVID-19 pandemic. Pennsylvania Governor Tom Wolf ordered all non-essential businesses to close effective March 19, 2020. The Township building was closed to the public and administrative staff were able to continue normal operations by working remotely from their homes. The Police Department continued working through

Upper Uwchlan Township

the pandemic but with modified procedures to ensure the safety of the officers and the public. Administrative staff returned to work in the office on September 21, 2020. The Township Supervisors conducted public meetings virtually until June, 2021 when they returned to in-person meetings.

From a financial perspective it is difficult to measure the impact that COVID-19 had on the Township. Overall financial results were better than budgeted. The net change in the General Fund's fund balance was \$1,387,883 vs. the amended 2020 budget of \$(1,133,833). Two of the major factors, which are discussed in the Management's Discussion and Analysis, were a transfer of \$1,000,000 to the Capital Fund and one-time revenue of \$1,000,000 from Sunoco. Revenues from the Earned Income Tax exceeded budget by nearly \$341,000 demonstrating that most of the Township's residents were able to work remotely during the pandemic, lessening the financial impact of the pandemic to residents and the Township. Applications for building permits increased as residents working from home sought to improve their properties, increasing building permit revenue by \$310,000 over the amount budgeted.

The Township has applied to Pennsylvania DCED for a federal grant totaling \$1,237,504 under the American Rescue Plan Act of 2021. Under this program, the Township would receive \$618,752 in 2021 and the same amount during 2022. At present, regulations are still being finalized on how these funds can be used but indications are that it will be restricted to water and/or sewer projects.

The Township continues to make prudent planning for the efficient and effective delivery of quality municipal services a critically important objective. The Township has, and will continue, to concentrate on the delivery of core services such as police, public works, building/codes, solid waste and recycling services, fire/emergency medical services, storm water management, traffic management, parks and recreation, and planning and zoning. The Township continues to be prudent in the development of its annual budgets.

Legal budgetary control is maintained at the department level under direction of the Township Manager. The 2020 budget year saw a reduced amount of activity in and around the Township due to the pandemic. Perhaps most notably, the Township completed the renovation and expansion of the Township municipal building and police station. The design added 2,697 square feet of office space to the upper level administration offices and 3,377 square feet of space to the Police Department on the lower level.

In an effort to continue to improve vehicular and pedestrian mobility and safety, the Township has constructed several roadways, pedestrian trails, and traffic signals in the recent past. The Township will continue to apply for available transportation funding to be used to construct additional transportation-related projects. These planning and construction efforts are coordinated with a number of outside agencies such as the Pennsylvania Turnpike Commission and PennDOT so as to maximize both opportunity for meaningful improvements and return on investment.

Upper Uwchlan Township continues to grow, and growth translates to additional service delivery. Our elected officials understand the needs of our community and, at the same time, continue to emphasize cautious and prudent planning and responsible spending based on clearly identified needs of the community. The Township will continue to evaluate all of our municipal services and balance the resources needed to deliver those services with prudent and responsible financial practices.

Upper Uwchlan Township

Please read the Management's Discussion and Analysis starting on page 11 for more information on the Township's 2020 results.

Awards

For the seventh consecutive year, Upper Uwchlan Township has been awarded the Government Finance Officers Association ("GFOA") Distinguished Budget Presentation Award (2020). The award reflects a significant organizational achievement and reflects the commitment and dedication of the Board of Supervisors and staff to meeting the highest principles and well-recognized governmental best practices in the area of governmental budgeting. In order to receive the budget award, the Township had to satisfy nationally recognized guidelines for effective budget presentation. These guidelines are designed to assess how well an entity's budget serves as a policy document, a financial plan, an operations guide, and a communications device. Thank you to all of the Department Heads involved in the budget process for their ongoing efforts. Upper Uwchlan Township was also awarded a GFOA Certificate of Achievement for Excellence in Financial Reporting for our comprehensive annual financial report issued for the year ended December 31, 2019, our fifth consecutive year receiving this award.

Acknowledgements

With the continued guidance and direction of our elected officials, and with the dedication of all of our volunteers and staff, the Township has, is, and continues to deliver municipal services, with the utmost professionalism, in a prudent and responsible manner, assuring long-term financial stability. The Township's success is a direct result of dedicated elected officials, volunteers, and staff. We thank everyone involved in the organization for the hard work and dedication, it is greatly appreciated!

FINANCIAL SECTION

INDEPENDENT AUDITOR'S REPORT

June 29, 2021

Board of Supervisors
Upper Uwchlan Township
Chester Springs, Pennsylvania

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Upper Uwchlan Township ("the Township"), Chester Springs, Pennsylvania, as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the Township's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate

Board of Supervisors
Upper Uwchlan Township

in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Upper Uwchlan Township, Chester Springs, Pennsylvania, as of December 31, 2020, and the respective changes in financial position, and, where applicable, cash flows thereof, and the respective budgetary comparison for the general fund, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of a Matter

As discussed in Notes 1 and 17 to the financial statements, the Township has adopted the requirements of GASB Statement No. 84, "Fiduciary Activities." The statement provides additional guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. As a result, the beginning fiduciary activities net position have been restated. Also, a statement of changes in fiduciary net position is presented for its custodial fund. Our opinion is not modified with respect to this matter.

Report on Summarized Comparative Information

We have previously audited the Township's 2019 financial statements, and we expressed unmodified opinions on the respective financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information in our report dated July 29, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2019 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 11 through 19 and the schedule of changes in the Township's net pension liability, related ratios, and investment returns - police pension plan; schedule of changes in the Township's net pension liability (asset), related ratios, and investment returns - non-uniformed pension plan; schedule of employer contributions and notes to required supplementary information - police pension plan, and schedule of employer contributions and notes to required supplementary information - non-uniformed pension plan on pages 66 through 69 be presented to supplement the basic financial

Board of Supervisors
Upper Uwchlan Township

statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Township's basic financial statements. The introductory section, combining nonmajor governmental and fiduciary fund financial statements, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining nonmajor governmental and fiduciary fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor governmental and fiduciary fund financial statements are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 29, 2021, on our consideration of the Township's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Township's internal control over financial reporting and compliance.

BARBACANE, THORNTON & COMPANY LLP

UPPER UWCHLAN TOWNSHIP
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED

This discussion and analysis of Upper Uwchlan Township ("the Township"), Chester Springs, Pennsylvania, provides an overview of the Township's financial performance for the year ended December 31, 2020. Please read it in conjunction with the Township's financial statements, which begin on page 20.

FINANCIAL HIGHLIGHTS

- **Assets** – The assets and deferred outflows of resources of the Township exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$37,570,598 (representing its net position).
- **Cash and Investments** – Total Township assets (excluding assets held in fiduciary funds) included \$10,951,981 in cash and cash equivalents and investments.
- **Governmental Fund Balances** – As of December 31, 2020, the Township's governmental funds combined ending fund balances of \$10,960,424, which was \$737,946 more than the prior year. Of this total, \$7,025,155 is in the General Fund and is unassigned (available for spending at the Township's discretion).

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Position and Statement of Activities on pages 20 and 21 provide information about the activities of the Township as a whole and present a longer-term view of the Township's finances. Fund financial statements start on page 22 and include governmental, proprietary, and fiduciary funds. For governmental activities, these statements explain how services were financed in the short term as well as what remains for future spending. The governmental and proprietary fund financial statements also report the Township's operations in more detail than the entity-wide statements by providing information about the Township's most significant funds. The remaining statements provide financial information about activities for which the Township acts solely as a trustee or agent for the benefit of those outside of the government.

Reporting the Township as a Whole

Statement of Net Position and Statement of Activities

The analysis of the Township as a whole begins on pages 20 and 21 with the Statement of Net Position and the Statement of Activities.

These statements provide information that will help the reader to determine if the Township is financially better or worse off as a result of the year's activities. These statements include all assets, deferred outflows of resources, liabilities, and deferred inflows of resources using the accrual basis of accounting similar to the accounting used by private sector companies. All current year revenues and expenses are taken into account regardless of when cash is received or paid. The reader can think of the

UPPER UWCHLAN TOWNSHIP

MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)

Township's net position as one way to measure the Township's financial health or financial position. Over time, increases or decreases in the Township's net position are one indicator of whether its financial health is improving or deteriorating. The reader will need to consider other nonfinancial factors, however, such as changes in the Township's property base and employment and the condition of the Township's assets, to assess the overall health of the Township.

In the Statement of Net Position and the Statement of Activities, the Township is divided into two kinds of activities:

- **Governmental Activities** – Most of the Township's basic services are reported here, including the police, fire, general administration, public works, parks, and recreation. Earned income taxes, local services taxes, property taxes, intergovernmental revenues, and permit fees finance most of these activities.
- **Business-type Activities** – The Township charges a fee to customers to cover the cost of certain services it provides. The Township's sewer activities are reported here.

Reporting the Township's Most Significant Funds

Fund Financial Statements

Our analysis of the Township's major funds provides detailed information about the most significant funds – not the Township as a whole. Some funds are required to be established by State law and by bond covenants. However, the Township establishes other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for money designated for special use (e.g., Capital Projects Fund). The Township's three kinds of funds – **governmental, proprietary, and fiduciary** – use different accounting approaches.

Governmental Funds – Most of the Township's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year end that are available for spending. These funds are reported using the modified accrual accounting method, which measures cash and all other financial assets that can be readily converted to cash. The governmental fund statements provide a detailed short-term view of the Township's general governmental operations and the basic services it provides. Governmental fund information helps the reader determine whether there are more or fewer financial resources that can be spent in the near future to finance the Township's programs. The relationship (or differences) between governmental activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds is described in reconciliations which follow the fund financial statements.

Proprietary Funds – When the Township charges customers for the sewer services it provides, these services are reported in the proprietary fund. The proprietary fund is reported in the same way that all activities are reported in the Statement of Net Position and the Statement of Activities. In fact, the Township's enterprise fund (a component of the proprietary fund) is the same as the business-type

UPPER UWCHLAN TOWNSHIP
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)

activities reported in the entity-wide statements but provides more detail and additional information, such as cash flows for the proprietary fund.

The Township as Trustee

Reporting the Township's Fiduciary Responsibilities

The Township is the trustee, or fiduciary, responsible for other assets that – because of a trust arrangement – can be used only for the trust beneficiaries. All of the Township's fiduciary activities are reported in a separate Statement of Fiduciary Net Position and Statement of Changes in Fiduciary Net Position. These activities are excluded from the Township's other financial statements because the Township cannot use these assets to finance its operations. The Township is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

THE TOWNSHIP AS A WHOLE

Entity-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Township, assets and deferred outflows of resources totaling \$54,744,683 exceeded liabilities and deferred inflows of resources by \$37,570,598 at the close of 2019, as reflected in the Statement of Net Position, an improvement of \$2,547,312 from the prior year.

Our analysis focuses on the net position (Table 1) and changes in net position (Table 2) of the Township's governmental and business-type activities.

Table 1 STATEMENT OF NET POSITION December 31, 2020 and 2019

Total Liabilities, Deferred Inflows of Resources, and Net Position	<u>\$ 27,809,548</u>	<u>\$ 26,273,403</u>	<u>\$ 26,935,135</u>	<u>\$ 27,438,695</u>	<u>\$ 54,744,683</u>	<u>\$ 53,712,098</u>

Township capital assets include infrastructure assets, incorporating approximately 59 miles of road, 41 miles of sewer pipeline, and traffic signals at 11 highway intersections. Total liabilities include \$15,692,364 in outstanding debt. Although the Township's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The Township's unrestricted governmental activities net position of \$6,133,499 may be used to meet the Township's ongoing obligations to citizens and creditors. This compares with last year's total unrestricted net position of \$4,895,233. Unrestricted governmental activities net position increased \$1,238,266 from the prior year primarily due to an increase in capital grants, which increased the Township's net position invested in capital assets.

At the end of the current fiscal year, the Township is able to report positive balances in net position, both for the government as a whole and for its business-type activities.

Governmental Activities

As reported in Table 2, the increase in net position from the Township's governmental activities was \$2,804,263 for the year ended December 31, 2020.

NET POSITION, END OF YEAR	18,176,785	15,124,491	16,846,501	17,354,730	35,023,286	32,479,221
NET POSITION, END OF YEAR	\$20,981,048	\$18,176,785	\$16,589,550	\$16,846,501	\$37,570,598	\$35,023,286

The cost of all governmental activities in 2020 was \$7,838,247, including \$819,021 in depreciation. This cost was funded primarily by tax revenue of \$5,971,175, including the earned income tax, real estate taxes, and real estate transfer taxes. Charges for services, including permits, accounted for an additional \$2,141,274 in revenue, and intergovernmental revenue accounted for another \$2,169,491.

As indicated by governmental activities expenses, public safety programs account for \$3,192,967, or approximately forty percent (41%) of the total expenses of the Township's governmental activities. Public safety includes the police department, the Township's emergency management services, and

UPPER UWCHLAN TOWNSHIP
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)

contributions to the local fire departments which provide services to the Township. General administration and highways and streets services account for approximately fifteen percent (14%) and twenty-five percent (25%), respectively, of the total governmental activities expenses for 2020.

Real estate taxes, earned income taxes, and other general revenues not designated for specific programs provide the major revenue sources for governmental activities. The earned income tax is the largest revenue source for governmental activities and accounted for \$4,145,335, or thirty-nine percent (39%) of all governmental activity revenue in 2020. Operating grants, real estate taxes and real estate transfer taxes provided twenty percent (20%), eleven percent (11%), and six percent (6%), respectively, of total governmental activity revenue.

Revenues for governmental activities in 2020 were \$713,530 lower than in 2019. This net decrease was due primarily to a decrease in capital grants of \$2,122,684 in 2020 vs. 2019 which was offset by an increase in operating grants of 1,179,022 in 2020 vs. 2019.

Business-type (Proprietary Funds) Activities

The Township's sewer system includes 15 sewer pumping stations and approximately 41 miles of pipeline. The Township accepts flows from a residential development that is partially in West Vincent Township and collects sewer rental fees from these properties. As reflected in Table 2, sewer operating expenses totaled \$841,846 for 2020. Operating expenses included \$503,510 in depreciation expense in 2020.

As also reflected in the Statement of Net Position, total assets for the business-type activities as of December 31, 2020 were \$26,935,135. This included \$5,312,497 in cash and other current accounts, and \$21,622,638 of equipment and infrastructure assets.

FINANCIAL ANALYSIS OF THE TOWNSHIP'S FUNDS

As noted earlier, the Township uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds – The focus of the Township's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Township's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As shown on pages 22 and 24, as of December 31, 2020, the Township's governmental funds reported combined ending fund balances of \$10,960,424, an increase of \$737,946 from the prior year. Although the Capital Projects Fund incurred a fund balance decrease of \$1,040,065 primarily due to construction on the new Township building, that was offset by an increase in the fund balance in the General Fund. The General Fund had increased revenues from taxes and building permits totaling \$355,952 as well as a one-time revenue of \$1,000,000 from Sunoco for a pipeline easement in a Township-owned road. Nonmajor governmental funds had an increase of \$373,857 in their combined fund balances.

UPPER UWCHLAN TOWNSHIP

MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)

Approximately sixty-four percent (64%), or \$7,025,155, is an unassigned fund balance in the General Fund, which means that it is available for spending at the Township's discretion. The remainder of the fund balance is either nonspendable or restricted, which means that it is not available for new spending because it has been restricted for capital improvements, park development, or other special purposes.

Major funds maintained by the Township include the following:

The **General Fund** is the chief operating fund of the Township. As of December 31, 2020, the total fund balance of the General Fund was \$7,033,777, a \$1,387,883 increase from 2019 due to operating revenues exceeding expenditures and other financing uses. As stated above, almost all (99 percent) of the General Fund's fund balance is "unassigned."

The **Capital Projects Fund** provides funding for capital improvements or other unique expenditures which are not normal operating or maintenance-type expenditures reportable within the General Fund or other governmental funds. The total fund balance as of December 31, 2020 was \$1,499,765, a decrease of \$1,040,065 from 2019 due primarily to capital outlays exceeding interest and transfers in the current year.

Historically, the major revenue and other financing sources for the Capital Projects Fund usually are transfers from the General Fund, interest earnings, and contributions from developers for specific infrastructure improvements. The General Fund also may transfer monies to the Capital Projects Fund to reserve for capital expenditures associated with the general operation of the Township.

The **Solid Waste Fund** provides funding for solid waste collection services provided to residents. The total fund balance as of December 31, 2020 was \$610,004, an increase of \$16,271 from 2019 due to charges for services exceeding expenditures for sanitation.

Proprietary Funds – The Township's proprietary funds provide the same type of information found in the entity-wide financial statements, but in more detail.

The unrestricted net position of the proprietary funds at the end of the year, as reported on page 28, amounted to \$5,177,810.

GENERAL FUND BUDGETARY HIGHLIGHTS

The statement comparing the Township's General Fund budget and actual results can be found on pages 26 and 27 of the financial statements.

On December 21, 2020, the Board of Supervisors approved amending the 2020 General Fund Budget for the following two expenditures that had been approved at public meetings earlier in the year:

- A donation of \$150,000 to the Lionville Fire Company for the purchase of fire equipment
- A transfer of \$1,000,000 to the Capital Fund to fund various capital projects

UPPER UWCHLAN TOWNSHIP

MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)

The conservative original 2020 budget for the General Fund anticipated that expenditures and other financing uses would exceed revenues by \$16,167; however, the Township ended the year with actual revenues and other financing sources exceeding expenditures and other financing uses by \$1,387,833, or \$1,371,716 more than the original budget.

This positive budget variance was due primarily to:

- Miscellaneous revenue was \$1,081,485 better than budget.
- Revenue from earned income taxes was \$340,790 better than budget.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

As of December 31, 2020, the Township's investment in depreciable capital assets for its governmental and business-type activities, as shown on page 20, amounted to \$37,399,371, net of accumulated depreciation. This investment in capital assets includes land, construction-in-progress, buildings and improvements, machinery and equipment, infrastructure, vehicles, and land improvements. The total increase in the Township's investment in capital assets for the current fiscal year was \$973,642, net of accumulated depreciation.

The increase in capital assets is a result of the completion of the multi-year task of expanding and renovating the Township building which houses both Township administration and the police department. This project began in 2017 with a "needs analysis" study which led to architectural renderings and planning during 2018. Construction on the Township building began in May 2019 after staff relocated to temporary facilities nearby. Construction was completed during April 2020.

Additional information about the Township's capital assets can be found in Note 5 to the financial statements.

Long-term Debt

At December 31, 2020, the Township had \$53,954 in capital lease principal payments outstanding.

The Township issued two series of bonds in 2019. General Obligation Bonds - Series of 2019 was issued in January 2019 in the amount of \$10,750,000. The proceeds were used to finance the expansion and renovation of the Township building as well as for other capital projects, including some for the Municipal Authority. The carrying amount of the debt, including unamortized discounts and premiums, is \$10,642,136.

During the summer of 2019, interest rates for municipal bonds became very favorable, allowing the Township the opportunity to do a current refunding of the General Obligation Bonds of 2014. The bonds were issued in the amount of \$5,105,000. The carrying amount at December 31, 2020, including premiums, is \$4,996,274.

UPPER UWCHLAN TOWNSHIP

MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)

Additional information about the Township's current long-term debt can be found in Note 6 to the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS

- Because of favorable demographics – the level of education, median household income, and advantageous location (proximity to employment centers such as Philadelphia, King of Prussia, and Wilmington), the Township continues to rely on the earned income tax ("EIT") for a large portion (39 percent in 2020) of its revenue in the General Fund. It also should be noted that the EIT rate of 0.5 percent is relatively low compared to neighboring municipalities which also have an EIT.
- The Township real estate tax rate of 1.034 mills is also relatively low compared to neighboring municipalities. The rate has not been increased since 2005.
- Township real estate transfer tax revenues declined during 2020, due mainly to COVID-19. Real estate transfers have increased in 2021 and are expected to exceed the budget of \$585,000.
- The Township maintains approximately \$10,530,000 in (insured or collateralized) cash accounts. Interest rates on these accounts have dropped significantly since 2008 and are forecasted to remain very low throughout 2021.
- The Township adopted a 2021 General Fund budget in which revenues are expected to exceed expenses by \$559,895 (before transfers). The Township ended 2020 in a strong position, with a General Fund balance of over \$7.0 million. The 2021 budget includes a transfer of \$900,000 from the General Fund to the Capital Projects Fund. The budget also includes a transfer from the General Fund to the Water Resource Protection Fund in the amount of \$145,000.
- The worldwide pandemic of the virus known as COVID-19 did not have any significant negative effect on the financial operations of the Township during 2020. Under the American Rescue Plan Act of 2021, the Township expects to receive a total of \$1,237,504 from the Federal government. The funds will be distributed 50 percent in 2021 and 50 percent in 2022 and can only be used as specified by the federal government. Final regulations are pending at this time.

This financial report is designed to provide a general overview of Upper Uwchlan Township's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to: Treasurer, Upper Uwchlan Township, 140 Pottstown Pike, Chester Springs, PA 19425.

General information relating to Upper Uwchlan Township can be found on its website, <http://www.upperuwchlan-pa.gov>.

**UPPER UWCHLAN TOWNSHIP
RECONCILIATION OF BALANCE SHEET - GOVERNMENTAL FUNDS
TO STATEMENT OF NET POSITION
DECEMBER 31, 2020**

TOTAL GOVERNMENTAL FUND BALANCES	\$ 10,960,424
----------------------------------	---------------

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds. Capital assets net of accumulated depreciation as detailed in the footnotes are included in the statement of net position.

15,776,733

Deferred inflows and outflows of resources related to the Township's net pension asset are based on the differences between actuarially determined actual and expected investment returns, differences between expected and actual experience, and changes in assumptions. These amounts will be amortized over the estimated remaining average service life of the employees.

Deferred outflows of resources - pensions	74,177
Deferred inflows of resources - pensions	(972,179)

Certain long-term assets and liabilities applicable to the governmental activities are not receivable or due and payable in the current period and, therefore, are not reported in the funds. Those assets and liabilities consist of:

Bonds payable, net	(5,412,617)
Interest payable	(16,208)
Capital lease	(53,954)
Net pension asset	624,672

NET POSITION OF GOVERNMENTAL ACTIVITIES	<u>\$ 20,981,048</u>

The accompanying notes are an integral part of these financial statements.

UPPER UWCHLAN TOWNSHIP
RECONCILIATION OF STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND
BALANCES - GOVERNMENTAL FUNDS TO STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED DECEMBER 31, 2020

NET CHANGE IN FUND BALANCES - GOVERNMENTAL FUNDS	\$ 737,946
---	-------------------

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays (\$2,302,338) exceeded depreciation (\$819,021) and disposals of capital assets (\$6,165) in the current period.

1,477,152

The issuance of long-term debt (e.g. capital leases, notes) provides current resources to governmental funds, while repayment of the principal of long-term debt, including changes in accrued interest, consumes current financial resources of governmental funds. Neither transaction, however, has any effect on net position.

232,651

In the statement of activities, pension expense reflects the change in the net pension liability/asset, net of deferrals. In the governmental funds, however, pension expenditures reflect payments made to fund the pension plan. This is the amount by which the change in the net pension liability and related deferrals exceeded pension contributions during the year.

356,514

CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES	<u>\$ 2,804,263</u>

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 1

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Upper Uwchlan Township ("the Township") complies with generally accepted accounting principles ("GAAP"). GAAP includes all relevant Governmental Accounting Standards Board ("GASB") pronouncements. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent subsections of this Note.

Reporting Entity

In evaluating how to define the government for financial reporting purposes, management has considered all potential component units. The decision to include a potential component unit in the reporting entity was made by applying the criteria set forth in GAAP. The basic - but not the only - criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, and the ability to significantly influence operations and accountability for fiscal matters. A second criterion used in evaluating potential component units is the scope of public service. Application of this criterion involves considering whether the activity benefits the government and/or its citizens, or whether the activity is conducted within the geographic boundaries of the government and is generally available to its citizens. A third criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the government is able to exercise oversight responsibilities. Based upon the application of these criteria, the Township is considered to be an independent reporting entity.

Discretely Presented Component Unit

The decision to include and how to report a component unit in the Township's reporting entity is based on several criteria, including legal standing, debt responsibility, fiscal dependency, and financial accountability. The Township is financially accountable for legally separate organizations if it appoints a voting majority of the organization's board and (1) it is able to impose its will on that organization or (2) there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the Township.

The Upper Uwchlan Township Municipal Authority ("the Authority") is a public authority, which exists to provide sewer operations using the assets of the Township Sewer Fund. The Township Sewer Fund records both the capital infrastructure used to provide services to the public, and the long-term debt related to the acquisition and construction of this infrastructure. The Authority is considered a discrete component unit based on the criteria noted in the preceding paragraph. The Township is able to impose its will over the Authority through appointment of a voting majority of the board of the Authority and the Authority has the potential to impose financial burdens on the Township. The Authority is audited by Barbacane, Thornton & Company LLP, whose report dated June 23, 2021, is publicly available through the offices of the Township.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Basis of Presentation

Entity-wide Financial Statements

The statement of net position and the statement of activities display information about the Township as a whole. These statements distinguish between activities that are governmental and those that are considered business-type. These statements exclude fiduciary activities such as pension and agency funds.

The entity-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting as further defined under proprietary funds below. This is the same approach used in the preparation of the proprietary fund financial statements but differs from the manner in which governmental fund financial statements are prepared. Therefore, governmental fund financial statements include reconciliations with brief explanations to better identify the relationship between the entity-wide statements and the statements of governmental funds.

The entity-wide statement of activities presents a comparison between expenses and program revenues for each different identifiable activity of the business-type activities of the Township and for each governmental program. Expenses are those that are specifically associated with a service or program and are, therefore, clearly identifiable to a particular function. Program revenues include charges paid by the recipients of the goods or services offered by the programs, and grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Revenues which are not classified as program revenues are presented as general revenues. The comparison of program revenues and expenses identifies the extent to which each function is self-financing or draws from the general revenues of the Township.

Internal activity is limited to interfund transfers which are eliminated to avoid "doubling up" revenues and expenses. Net position is reported as restricted when constraints placed on net position use are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. The net position restricted for other purposes results from special revenue and capital projects funds, and the restrictions on their net position use.

Fund Financial Statements

Fund financial statements report detailed information about the Township. The focus of governmental and enterprise fund financial statements is on major funds rather than reporting funds by type. Each major fund is presented in a separate column. The three major governmental funds are each presented in a single column on the governmental fund financial statements.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 1

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

The Township reports the following major governmental funds:

- The **General Fund** is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.
- The **Capital Projects Fund** accounts for the resources accumulated for future capital projects.
- The **Solid Waste Fund** accounts for the resources accumulated for contracted solid waste collection services.

Nonmajor funds account for the proceeds of specific revenue sources that are restricted or assigned to expenditures for specified purposes. The special revenue funds of the Township are:

- The **Liquid Fuels Fund** accounts for state revenues used primarily for building, improving, and maintaining the Township's streets and bridges.
- The **Act 209 Fund** accounts for revenues received from transportation impact fees and similar revenues. Expenditures consist of improvements to the Township's roadways either by major capital installations or minor repairs.
- The **Water Resource Protection Fund** accounts for grants and other revenues received for stormwater management projects. Expenditures consist of betterments which improve stormwater management within the Township.

The Township reports the following major proprietary funds:

- The **Sewer Fund** accumulates resources necessary for the operations of the Upper Uwchlan Sewer Authority ("the Authority").

The Township's fiduciary funds consist of escrow funds held on behalf of third parties and pension funds held in trust.

Governmental Funds

All governmental funds are accounted for using the modified accrual basis of accounting and the current financial resources measurement focus. Under this basis, revenues are recognized in the accounting period in which they become measurable and available. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable.

Revenue Recognition

In applying the "susceptible to accrual concept" under the modified accrual basis, revenues are considered to be available when they are collectible within the current period or soon

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 1

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

enough thereafter to pay liabilities of the current period. For this purpose, the Township considers property and earned income tax revenue to be available if collected within 60 days of the end of the fiscal period. Revenues for state and federally funded projects are recognized at the time all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted; matching requirements, in which the Township must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the Township on a reimbursement basis.

Property tax receivables collected after 60 days from year end, though measurable, are not available soon enough in the subsequent year to finance current period obligations. Therefore, property tax receivables are recorded as deferred inflows of resources until they become available.

Other revenues, including certain other charges for services and miscellaneous revenues, are recorded as revenue when received in cash because they generally are not measurable until actually received.

Expenditure Recognition

The measurement focus of governmental fund accounting is on decreases in net financial resources (expenditures) rather than expenses. Most expenditures are measurable and are recorded when the related fund liability is incurred. However, principal and interest on general long-term debt which has not matured are recognized when paid. Further, as provided in GASB Interpretation No. 6, "Recognition and Measurement of Certain Liabilities and Expenditures in Governmental Fund Financial Statements," certain governmental fund liabilities and expenditures, such as for compensated absences, are recognized to the extent the liabilities mature (come due for payment) each period. Allocations of costs, such as depreciation and amortization, are not recognized in the governmental funds.

Proprietary Funds

Proprietary funds are accounted for using the accrual basis of accounting. These funds account for operations that are financed primarily by user charges. The economic resources measurement focus concerns determining costs as a means of maintaining the capital investment and management control. Revenues are recognized when they are earned, and expenses are recognized when they are incurred. Allocations of certain costs, such as depreciation, are recorded in proprietary funds. The Township's only proprietary funds are enterprise funds.

These funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the proprietary fund's principal ongoing operations. The principal

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 1

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

operating revenues of the Township's enterprise funds are sewer fees. Operating expenses for the Township's enterprise funds include sewer disposal, supplies and administrative costs, and depreciation. All revenues or expenses not meeting this definition are reported as nonoperating revenues and expenses.

Budgets

Budgets are adopted on a basis consistent with generally accepted accounting principles. Annual appropriated budgets are adopted for the General Fund. All annual appropriations lapse at fiscal year end.

Cash and Cash Equivalents and Restricted Cash

The Township's cash and cash equivalents are cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. Restricted cash represents tapping fees paid for future connection to the sewer system.

Investments

Investments are recorded at fair value.

In establishing the fair value of investments, the Township uses the following hierarchy. The lowest level of valuation available is used for all investments.

Level 1 – Valuations based on quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access.

Level 2 – Valuations based on quoted prices of similar products in active markets or identical products in markets that are not active or for which all significant inputs are observable, directly or indirectly.

Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the noncurrent portion of interfund loans). Any residual balances outstanding between the governmental activities and business-type activities are reported in the entity-wide financial statements as "internal balances."

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Deferred Inflows and Deferred Outflows of Resources

In addition to assets and liabilities, the statement of net position and fund statements report separate sections for deferred inflows and deferred outflows of resources. These separate financial statement elements represent acquisition or use of net position/fund balance that applies to a future period(s) and so will not be recognized as an inflow or outflow of resources (revenue or expense/expenditure) until that time. Certain changes made to the net pension liability/asset, including differences between actual and expected experience of pension activities, changes in assumptions, and differences between actual and projected investment returns are required to be amortized over a period of years; the unamortized portions of these changes are reflected as deferred outflows or inflows of resources on the statement of net position, as applicable.

Capital Assets

Capital assets, which include property, plant, and equipment, are reported in the applicable governmental or business-type activities columns in the entity-wide financial statements as well as in the proprietary fund financial statements. Capital assets, other than infrastructure, are defined by the Township as assets with an initial, individual cost of more than \$5,000 (\$10,000 for infrastructure assets) and an estimated useful life in excess of one year. Such assets are recorded at historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The Township reports infrastructure assets on a network and subsystem basis. Accordingly, the amounts spent for the construction or acquisition of infrastructure assets are capitalized and reported in the entity-wide financial statements regardless of their amount.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed, inclusive of ancillary costs.

Property, plant, and equipment of the Township are depreciated using the straight-line method over the following estimated useful lives:

Machinery and equipment	5 - 20 years
Vehicles	5 - 18 years
Land improvements	10 - 30 years
Buildings and improvements	7 - 40 years
Infrastructure	50 years

The half-year convention is used to record depreciation. Under this convention, half of the normal depreciation is recorded in the first and last year of an asset's estimated useful life.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Long-term Obligations

In the entity-wide financial statements and proprietary fund financial statements, long-term debt and other long-term obligations are reported as liabilities. Debt issuance costs, except any portion related to prepaid insurance costs, are recognized as an expense in the period incurred.

Fund Balances

Fund balances of the governmental funds are classified, if applicable, as follows:

Nonspendable – amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

Restricted – amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributions, or the laws or regulations of other governments.

Committed – amounts that can be used only for specific purposes determined by formal action of the Board of Township Supervisors. The Board is the highest level of decision-making authority for the Township. Commitments may be established, modified, or rescinded only through resolutions approved by the Board.

Assigned – amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. The Board has designated the Township Manager and Treasurer the authority to assign amounts for specific purposes.

Unassigned – all other spendable amounts.

When both restricted and unrestricted resources are available for use, it is the Township's policy to use restricted resources first and then unrestricted resources as they are needed. Administrative expenses are paid with the use of unrestricted resources. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the Township considers amounts to have been spent first out of committed funds, then assigned funds and, finally, unassigned funds, as needed, unless the Board has provided otherwise in its actions. The General Fund is the only fund which reports positive unassigned fund balance.

Comparative Data

Comparative totals for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the Township's financial position and operations. Certain amounts presented in the prior year have been reclassified in order to be consistent with the current year's presentation. However, presentation of prior year totals by fund and activity type have not been presented in each of the statements since their inclusion would make the statements unduly complex and difficult to read. Summarized comparative

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 1 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)**

information should be read in conjunction with the Township's financial statements for the year ended December 31, 2019, from which the summarized information was derived.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Implementation of GASB Statement

During the year ended December 31, 2020, the Township implemented GASB Statement No. 84, "Fiduciary Activities." The purpose of this statement is to establish criteria for identifying and reporting fiduciary activities in order to enhance the consistency and comparability, ultimately increasing the value of the information reported within the financial statements. The implementation of GASB Statement No. 84 resulted in a prior period adjustment to the Custodial Fund. See Note 17 for more information.

NOTE 2 **DEPOSITS AND INVESTMENTS**

Deposits

Custodial Credit Risk - Primary Government

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned. The Township is required by statute to deposit funds in depositories that are either banks, banking institutions, or trust companies located in the Commonwealth of Pennsylvania. To the extent that such deposits exceed federal insurance, the depositories must pledge as collateral obligations of the United States of America, the Commonwealth of Pennsylvania, or any political subdivision of the Commonwealth. Under Act 72 of 1971, as amended, the depositories may meet this collateralization requirement by pooling appropriate securities to cover all public funds on deposit excluding the pension funds. At December 31, 2020, the carrying amount of the Township's deposits (excluding cash held in pension trust funds) was \$10,755,255, and the bank balance was \$11,023,200. Of the bank balance, \$500,000 was covered by federal depository insurance, and \$10,518,007 was collateralized by pooled securities in accordance with Act 72. The deposits collateralized in accordance with Act 72 were exposed to custodial credit risk because they were uninsured and the collateral held by the depository's agent was not in the Township's name. The remaining balance of \$5,193 was held in the Pennsylvania School District Liquid Asset Fund ("PSDLAF").

Although not registered with the Securities Exchange Commission and not subject to regulatory oversight, PSDLAF acts like money market mutual funds in that their objective is to maintain a stable net asset value of \$1 per share, are rated by a nationally recognized statistical rating

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 2 DEPOSITS AND INVESTMENTS (cont'd)

organization, and are subject to an independent annual audit. Cash and cash equivalents held by the pension funds are disclosed in the plans' separate audited financial statements as discussed in Notes 10 and 11, and are excluded from the balances above.

Custodial Credit Risk – Component Unit

Custodial credit risk is the risk that in the event of a bank failure, the Authority's deposits may not be returned. The Authority does not have a policy for custodial credit risk on deposits. At December 31, 2020, the carrying amount of the Authority's deposits was \$6,302,093, and the bank balance was \$6,372,006. Of the bank balance, \$500,000 was covered by federal depository insurance, and \$5,871,817 was subject to custodial credit risk because it was fully collateralized by the banks holding the funds but not in the Authority's name. The remaining bank balance of \$189 was held in the Pennsylvania School District Liquid Asset Fund ("PSDLAF"). Although not registered with the Securities Exchange Commission and not subject to regulatory oversight, PSDLAF acts like money market mutual funds in that its objective is to maintain a stable net asset value of \$1 per share, is rated by a nationally recognized statistical rating organization, and is subject to an independent annual audit. As of December 31, 2020, PSDLAF was rated AAA by a nationally recognized statistical rating organization.

Investments

Statutes authorize the Township to invest in obligations of the U.S. Treasury; agencies and instrumentalities; deposits in savings accounts or time deposits; or share accounts of institutions insured by the Federal Deposit Insurance Corporation ("FDIC"), the Federal Savings and Loan Insurance Corporation ("FSLIC"), or the National Credit Union Share Insurance Fund ("NCUSIF"). The Township also is authorized to invest in obligations of the United States of America or any of its agencies or instrumentalities backed by the full faith and credit of the United States of America or the Commonwealth of Pennsylvania or any of its agencies or instrumentalities.

The Township categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The Township has the following recurring fair value measurements (excluding investments held in pension trust funds) as of December 31, 2020:

Investment Type	Fair Value	Level 2	Matures in Less Than One Year
Certificates of deposit	\$ 276,476	\$ 276,476	\$ 276,476
TOTAL	\$ 276,476	\$ 276,476	\$ 276,476

The Township's Level 2 investments in certificates of deposit are valued based on the value at which the investment could be redeemed as of the report date.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 2 DEPOSITS AND INVESTMENTS (cont'd)

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Township will not be able to recover the value of its investments or collateral security that are in the possession of an outside party. As of December 31, 2020, none of Township's investments were subject to custodial credit risk.

Interest Rate Risk

The Township has an investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At December 31, 2020, all of the Township's investments had maturity dates of less than one year.

Credit Risk

The Township has no investment policy that would limit its investment choices to those with certain credit ratings.

Pension Plans

Investments held by the pension funds are disclosed in the plans' separate audited financial statements, as described in Notes 10 and 11, and are excluded from the balances above.

NOTE 3 INTERFUND ACTIVITY

The composition of interfund balances as of December 31, 2020 is as follows:

<u>Receivable To:</u>	<u>Amount</u>	<u>Payable From:</u>	<u>Amount</u>
Act 209 Fund (nonmajor fund)	\$ 18,672	General Fund	\$ 18,672
Capital Projects Fund	\$ 150,000	Solid Waste Fund	\$ 150,000
General Fund	\$ 6,184	Capital Projects Fund	\$ 6,184

Interfund balances represent temporary loans which will be repaid shortly after year end.

Interfund transfers:

<u>Transfers out:</u>		<u>Transfers in:</u>	
General Fund	\$ 1,518,000	Capital Projects Fund	\$ 1,518,000
Solid Waste Fund	\$ 150,000	Capital Projects Fund	\$ 150,000

General Fund and Solid Waste Fund transfers to the Capital Projects Fund were made to set aside funds for future capital projects.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 4 UNEARNED REVENUES

At the end of the current fiscal year, unearned revenue resulted from revenue received but not yet earned. Unearned revenues as of December 31, 2020 consisted of engineering fees and solid waste collection fees received prior to year end for services rendered in the following year.

NOTE 5 CAPITAL ASSETS

NOTE 9 DEFINED BENEFIT PENSION PLANS

The Township participates in two defined benefit pension plans: the Upper Uwchlan Township Police Pension Plan and the Upper Uwchlan Township Non-Uniformed Pension Plan. The Police Pension Plan, a single-employer defined benefit plan, covers all full-time uniformed police officers. The Non-Uniformed Pension Plan, a single-employer defined benefit plan, covers all full-time permanent employees, other than police officers. The Township contributes to both plans.

The Township administers the assets of the two single-employer defined benefit plans and, accordingly, is required to prepare pension trust fund financial statements, using the accrual basis of accounting.

NOTE 10 POLICE PENSION PLAN

Plan description and provisions:

The Police Pension Plan is a single-employer defined benefit pension plan. The Plan is governed by the Township Board of Supervisors, which may amend Plan provisions and is responsible for the management of Plan assets. The Board of Supervisors has delegated the authority to manage certain Plan assets to CBIZ InR.

Plan Membership

Plan membership as of December 31, 2020 consisted of the following:

Active employees	12
Vested terminated employees receiving benefits	2
 Total	 14

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 10 POLICE PENSION PLAN (cont'd)

Eligibility Requirements and Benefit Provisions

Actuarial Valuation Report Form 205, filed with the Public Employee Retirement Study Commission and dated as of January 1, 2019, disclosed that the Plan benefit provisions are as follows:

Members are eligible for normal retirement at age 55 with 25 years of continuous service and are entitled to a monthly pension equal to 50 percent of the member's average applicable compensation. A member becomes 100 percent vested in the benefit accrued after 12 or more years of continued service. Payments continue after the member's death to the surviving spouse, or eligible child, equal to 50 percent of the normal retirement benefit payable to the member at the time of death.

Members are eligible for early retirement after 20 years of service. The monthly early retirement pension benefit is equal to the actuarial equivalent of the benefit accrued to the early retirement date.

If a member continues working after the normal retirement date, the pension benefit does not start until the employee actually retires. The monthly late retirement pension benefit is equal to the actuarial equivalent of the benefit accrued to the late retirement date.

If a member is eligible for retirement at the time of death, a monthly death benefit is payable to his surviving spouse, or eligible child, equal to 50 percent of the monthly pension benefit the member would have been receiving had he been retired at the time of death.

An active member is eligible for a monthly disability benefit if the member is disabled in the line of duty. The disability pension is equal to two percent of the member's average applicable compensation, multiplied by the total number of years of service.

Any member who has been a regularly appointed employee for a period of at least six months and who thereafter enters into active military service of the United States of America shall receive credit for all such active military service if he or she returns to employment within six months after his or her separation from active military service.

If a member enters into active military duty prior to becoming an active employee of the Township, they shall receive credit for each year of active military service or a fraction thereof for a period not to exceed five years.

Members' contributions are to be five percent of monthly regular salary, overtime, extra duty, and longevity pay.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 10 POLICE PENSION PLAN (cont'd)

Method Used to Value Investments

Investments are reported at fair value.

Administrative Costs

Administrative costs, including the investment manager, custodial trustee, and actuarial services, are charged to the plan.

Contributions

Act 205 requires that annual contributions be based upon the minimum municipal obligation ("MMO"). The MMO is based upon the Plan's biennial actuarial valuation. In 2020, employees contributed five percent of eligible compensation into the plan. The state provides an allocation of funds which must be used for pension funding. Any financial requirement established by the MMO which exceeds the state contribution must be funded by the employer in accordance with Act 205.

Deposits

Custodial Credit Risk

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned. At December 31, 2020, the carrying amount of the Plan's deposits was \$211,696, which is equal to the deposits in a depository account held by the trustee of the plan in the Township's name. None of this balance was subject to custodial credit risk.

Investments

The Plan's investment policy in regard to the allocation of invested assets is established and may be amended by the Township Board of Supervisors and Pension Board. The objective of the investment strategy is to reduce risk while maximizing returns through the prudent diversification of the portfolio in order to maintain a fully funded status and meet the benefit and expense obligations when due. The Plan's formal Investment Policy Statement, which is revised periodically, provides more comprehensive details on investment strategy and authorized investments.

The long-term expected rate of return on Plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 10 POLICE PENSION PLAN (cont'd)

weighting the expected future real rates of return by the target allocation percentage and by adding expected inflation. Best arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of December 31, 2020 are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Rate of Return
Domestic Equities (including equity ETFs)	48.75%	4.63%
International Equities (including equity ETFs)	26.25%	6.01%
Fixed income (including fixed income ETFs)	22.00%	0.68%
Cash	3.00%	<u>-0.38%</u>
 Total Net Blended Return		3.96%*

* - Excludes 2.18 percent inflation assumption.

The investment objective of the Plan is to maintain a balanced portfolio comprised of exchange-traded funds that invest in a variety of securities.

As of December 31, 2020, the Plan had the following investments:

Investment Type	
Exchange-traded funds:	
Intermediate-term Bond ETFs	\$ 1,135,029
High-Yield Bond ETFs	203,847
International Market Equity ETFs	1,830,344
Domestic Stock ETFs:	
Small-cap	438,418
Mid-cap	415,608
Large-cap	<u>2,420,775</u>
 Total Investments	<u>\$ 6,444,021</u>

Certain investments in external investment pools, such as those in equity exchange-traded funds, are disclosed but not subject to interest rate, custodial, credit, or concentration risks because they are not evidenced by securities that exist in physical or book entry form. Investments in bond exchange-traded funds are also not subject to interest rate, custodial, or concentration risks but are subject to credit risk.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 10 POLICE PENSION PLAN (cont'd)

The Plan categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The Plan has the following recurring fair value measurements as of December 31, 2020:

	Total	Level 1
Exchange-traded funds	<u>\$6,444,021</u>	<u>\$6,444,021</u>
	<u><u>\$6,444,021</u></u>	<u><u>\$6,444,021</u></u>

Level 1 investments are valued based on unadjusted, quoted prices for identical assets in an active market.

Credit Risk

As of December 31, 2020, \$1,338,876 of the Plan's deposits was invested in Intermediate-term Bond ETFs and High Yield Bond ETFs managed by iShares and Vanguard. iShares and Vanguard are registered with the Securities and Exchange Commission and subject to regulatory oversight. The funds are rated by nationally recognized rating organizations and are subject to an independent annual audit.

As of December 31, 2020, the Plan's invested balances had the following ratings:

Fund Name	Balance	Morningstar Investors Service Rating
Exchange Traded Bond Fund	\$ 201,432	AA
Exchange Traded Bond Fund	665,394	AA
Exchange Traded Bond Fund	203,846	B
Exchange Traded Bond Fund	<u>268,204</u>	<u>BBB</u>
TOTAL	<u>\$1,338,876</u>	

Money-weighted Rate of Return

For the year ended December 31, 2020, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 15.68 percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 10 POLICE PENSION PLAN (cont'd)

Net Pension Asset

The net pension liability was measured as of December 31, 2020, and the total pension liability was determined by rolling forward the liabilities from an actuarial valuation as of January 1, 2019.

The components of net pension asset at December 31, 2020, were as follows:

Total pension liability	\$ 6,353,758
Plan fiduciary net position	<u>6,666,193</u>
Net pension asset	<u>\$ (312,435)</u>

Plan fiduciary net position as a percentage
of the total pension liability 104.9%

The changes in the net pension asset are as follows:

	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability (Asset)
Balance at December 31, 2019	\$ 5,795,337	\$ 5,553,692	\$ 241,645
Service cost	200,858	-	200,858
Interest	446,384	-	446,384
Contributions – employer	-	133,561	(133,561)
Contributions – state aid	-	118,172	(118,172)
Contributions – member	-	71,578	(71,578)
Net investment gain	-	887,911	(887,911)
Benefit payments	(88,821)	(88,821)	-
Administrative expenses	-	(9,900)	9,900
Net Changes	<u>558,421</u>	<u>1,112,501</u>	<u>(554,080)</u>
Balance at December 31, 2020	<u>\$ 6,353,758</u>	<u>\$ 6,666,193</u>	<u>\$ (312,435)</u>

Discount Rate

The discount rate used to measure the total pension liability was 7.50 percent. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be

UPPER UWCHLAN TOWNSHIP
NOTES TO FINANCIAL STATEMENTS

NOTE 10 POLICE PENSION PLAN (cont'd)

made at the current contribution rate and that municipal contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on Plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of Net Pension Asset to Changes in the Discount Rate

The following presents the net pension asset of the Plan, calculated using the discount rate of 7.5 percent, as well as what the Plan's net pension asset would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

	1% Decrease (6.5%)	Current Discount Rate (7.5%)	1% Increase (8.5%)
Plan's net pension liability (asset)	\$ 555,274	\$ (312,435)	\$ (1,031,737)

Pension Expense, and Deferred Outflows and Inflows of Resources

For the year ended December 31, 2020, the Township recognized a pension expense of \$12,220. At December 31, 2020, the Township reported deferred outflows and deferred inflows of resources related to the plan from the following sources:

	Deferred Outflows	Deferred Inflows
Differences between actual and expected experience	\$ -	\$ 73,707
Changes in assumptions	37,656	-
Difference between actual and projected investment returns	-	566,159
Total Deferred Outflows and Inflows	\$ 37,656	\$ 639,866

The deferred amounts related to the pension will be recognized in pension expense as follows:

UPPER UWCHLAN TOWNSHIP

2024	(93,141)
2025	440
Thereafter	<u>(38,251)</u>
	<u>\$ (602,210)</u>

Actuarial Methods and Assumptions

An actuarial valuation of the total pension liability is performed biennially. The total pension liability was determined as part of an actuarial valuation at January 1, 2019. Update procedures were used to roll forward to the plan's fiscal year ended December 31, 2020 using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Cost Method	Entry Age
Amortization Method	Level Dollar
Remaining Amortization Period	13 Years
Asset Valuation Method	Section 210(a) of Act 44
Assumptions:	
Inflation	2.25 percent
Salary increases	5.00 percent
Investment rate of return	7.50 percent, net of pension plan investment expense, including inflation
Retirement Age	55

Mortality rates were based on the Blue Collar RP-2000 Mortality Table projected to 2019 using Scale AA.

NOTE 11 NON-UNIFORMED PENSION PLAN

Plan description and provisions:

The Non-Uniformed Pension Plan is a single-employer defined benefit pension plan. The Plan is governed by the Township Board of Supervisors, which may amend Plan provisions and is responsible for the management of Plan assets. The Board of Supervisors has delegated the authority to manage certain Plan assets to CBIZ InR.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 11 NON-UNIFORMED PENSION PLAN (cont'd)

Plan Membership

Plan membership as of December 31, 2020 consisted of the following:

Active employees	10
Retirees and beneficiaries currently receiving benefits	2
Terminated employees entitled but not yet receiving them	<u>3</u>
Total	<u>15</u>

Eligibility Requirements and Benefit Provisions

Actuarial Valuation Report Form 205, filed with the Public Employee Retirement Study Commission and dated as of January 1, 2019, disclosed that the pension plan benefit provisions are as follows:

Members are eligible for normal retirement at age 65 with 25 years of continuous service and are entitled to a monthly pension equal to two percent of the member's average applicable compensation, multiplied by the total number of years of service. A member becomes 100 percent vested in the benefit accrued after five or more years of continued service. Payments continue after the member's death to the member's named beneficiary and can be taken in the form of a lump-sum payment, an annuity, or a combination of both.

Members are eligible for early retirement at age 62 after 20 years of service. The monthly early retirement pension benefit is equal to the actuarial equivalent of the benefit accrued to the early retirement date.

If a member continues working after the normal retirement date, the pension benefit does not start until the employee actually retires. The monthly late retirement pension benefit is equal to the actuarial equivalent of the benefit accrued to the late retirement date.

If a member is eligible for retirement at the time of death, a monthly death benefit is payable to his surviving spouse, or eligible child, equal to 50 percent of the monthly pension benefit the member would have been receiving had he been retired at the time of death.

An active member is eligible for a monthly disability benefit if the member is disabled in the line of duty. The disability pension is equal to two percent of the member's average applicable compensation, multiplied by the total number of years of service.

Any member who has been a regularly appointed employee for a period of at least six months and who thereafter enters into active military service of the United States of America shall

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 11 NON-UNIFORMED PENSION PLAN (cont'd)

receive credit for all such active military service if he or she returns to employment within six months after his or her separation from active military service.

If a member enters into active military duty prior to becoming an active employee of the Township, they shall receive credit for each year of active military service or a fraction thereof for a period not to exceed five years.

Members' contributions in 2020 were five percent of monthly regular salary, overtime, extra duty, and longevity pay.

Method Used to Value Investments

Investments are reported at fair value.

Administrative Costs

Administrative costs, including the investment manager, custodial trustee, and actuarial services, are charged to the Plan.

Contributions

Act 205 requires that annual contributions be based upon the minimum municipal obligation ("MMO"). The MMO is based upon the Plan's biennial actuarial valuation. In 2020, non-uniformed employees contributed five percent to the Plan. The state provides an allocation of funds which must be used for pension funding. Any financial requirement established by the MMO which exceeds the state contribution must be funded by the employer in accordance with Act 205.

Deposits

Custodial Credit Risk

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned. At December 31, 2020, the carrying amount of the Plan's deposits was \$76,902, which is equal to the deposits in a depository account held by the trustee of the plan in the Township's name. None of this balance was subject to custodial credit risk.

Investments

The Plan's investment policy in regard to the allocation of invested assets is established and may be amended by the Township Board of Supervisors and Pension Board. The objective of the

UPPER UWCHLAN TOWNSHIP
NOTES TO FINANCIAL STATEMENTS

NOTE 11 NON-UNIFORMED PENSION PLAN (cont'd)

investment strategy is to reduce risk while maximizing returns through the prudent diversification of the portfolio in order to maintain a fully funded status and meet the benefit and expense obligations when due. The Plan's formal Investment Policy Statement, which is revised periodically, provides more comprehensive details on investment strategy and authorized investments.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target allocation percentage and by adding expected inflation. Best arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of December 31, 2020 are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Rate of Return
Domestic Equities (including equity ETFs)	48.75%	4.63%
International Equities (including equity ETFs)	26.25%	6.01%
Fixed income (including fixed income ETFs)	22.00%	0.68%
Cash	3.00%	<u>-0.38%</u>
 Total Net Blended Return		3.96%*

* - Excludes 2.18 percent inflation assumption.

The investment objective of the Plan is to maintain a balanced portfolio comprised of exchange-traded funds that invest in a variety of securities.

As of December 31, 2020, the Plan had the following investments:

<u>Investment Type</u>	
Exchange-traded funds:	
Intermediate-term Bond ETFs	\$ 480,105
High Yield Bond ETFs	86,252
International Market Equity ETFs	775,429
Domestic Stock ETFs:	
Small-cap	185,920
Mid-cap	176,375
Large-cap	<u>1,013,802</u>
 Total Investments	<u> \$ 2,717,883</u>

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 11 NON-UNIFORMED PENSION PLAN (cont'd)

Certain investments in external investment pools, such as those in equity exchange-traded funds, are disclosed but not subject to interest rate, custodial, credit, or concentration risks because they are not evidenced by securities that exist in physical or book entry form. Investments in bond exchange-traded funds are also not subject to interest rate, custodial, or concentration risks but are subject to credit risk.

The Plan categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The Plan has the following recurring fair value measurements as of December 31, 2020:

	<u>Total</u>	<u>Level 1</u>
Exchange-traded funds	<u>\$ 2,717,883</u>	<u>\$ 2,717,883</u>
	<u>\$ 2,717,883</u>	<u>\$ 2,717,883</u>

Level 1 investments are valued based on unadjusted, quoted prices for identical assets in an active market.

Credit Risk

As of December 31, 2020, \$566,357 of the Plan's deposits was invested in Intermediate-term Bond ETFs and High Yield Bond ETFs managed by Ishares and Vanguard. Ishares and Vanguard are registered with the Securities and Exchange Commission and subject to regulatory oversight. The funds are rated by nationally recognized rating organizations and are subject to an independent annual audit.

As of December 31, 2020, the Plan's invested balances had the following ratings:

Fund Name	Balance	Morningstar Investors Service Rating
Exchange Traded Bond Fund	\$ 85,143	AA
Exchange Traded Bond Fund	281,502	AA
Exchange Traded Bond Fund	86,252	B
Exchange Traded Bond Fund	<u>113,460</u>	<u>BBB</u>
TOTAL	<u>\$ 566,357</u>	

Money-weighted Rate of Return

For the year ended December 31, 2020, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 15.76 percent. The money-

UPPER UWCHLAN TOWNSHIP
NOTES TO FINANCIAL STATEMENTS

NOTE 11 NON-UNIFORMED PENSION PLAN (cont'd)

weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Net Pension Asset

The net pension asset was measured as of December 31, 2020, and the total pension liability was determined by rolling forward the liabilities from an actuarial valuation as of January 1, 2019.

The components of net pension asset at December 31, 2020, were as follows:

Total pension liability	\$ 2,491,375
Plan fiduciary net position	<u>2,803,612</u>
Net pension asset	<u><u>\$ (312,237)</u></u>
Plan fiduciary net position as a percentage of the total pension liability	112.5%

The changes in the net pension asset are as follows:

	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Asset
Balance at December 31, 2019	<u>\$ 2,275,540</u>	<u>\$ 2,363,295</u>	<u>\$ (87,755)</u>
Service cost	99,316	-	99,316
Interest	175,888	-	175,888
Contributions – employer	-	505	(505)
Contributions – state aid	-	88,629	(88,629)
Contributions – member	-	42,388	(42,388)
Net investment income	-	377,864	(377,864)
Benefit payments, including refunds of member contributions	(59,369)	(59,369)	-
Administrative expenses	-	(9,700)	9,700
Net Changes	<u>215,835</u>	<u>440,317</u>	<u>(224,482)</u>
Balance at December 31, 2020	<u><u>\$ 2,491,375</u></u>	<u><u>\$ 2,803,612</u></u>	<u><u>\$ (312,237)</u></u>

UPPER UWCHLAN TOWNSHIP
NOTES TO FINANCIAL STATEMENTS

NOTE 11 NON-UNIFORMED PENSION PLAN (cont'd)

Discount Rate

The discount rate used to measure the total pension liability was 7.50 percent. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that municipal contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of Net Pension Asset to Changes in the Discount Rate

The following presents the net pension asset of the Plan, calculated using the discount rate of 7.5 percent, as well as what the plan's net pension asset would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

	1% Decrease (6.50%)	Current Discount Rate (7.50%)	1% Increase (8.50%)
Net pension asset	\$ (3,978)	\$ (312,237)	\$ (573,660)

Pension Expense, and Deferred Outflows and Inflows of Resources

For the year ended December 31, 2020, the Township recognized pension a pension expense of \$3,427. At December 31, 2020, the Township reported deferred outflows and inflows of resources related to the Plan from the following sources:

	Deferred Outflows	Deferred Inflows
Differences between actual and expected experience	\$ -	\$ 90,274
Changes in assumptions	36,521	-
Difference between actual and projected investment returns	-	242,039
Total Deferred Outflows and Inflows	\$ 36,521	\$ 332,313

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 11 NON-UNIFORMED PENSION PLAN (cont'd)

The deferred amounts related to the Plan will be recognized in pension expense as follows:

Year Ended December 31,

2021	\$ (74,444)
2022	(43,211)
2023	(99,977)
2024	(45,215)
2025	(5,202)
Thereafter	<u>(27,743)</u>
	<u>\$ (295,792)</u>

Actuarial Assumptions

An actuarial valuation of the total pension liability is performed biennially. The total pension liabilities as of December 31, 2020 were determined as part of an actuarial valuation at January 1, 2019. Update procedures were used to roll forward January 1, 2019 liabilities to the Plan's fiscal plan year ended December 31, 2020, using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Cost Method	Entry Age
Amortization Method	Level Dollar
Remaining Amortization Period	13 years
Asset Valuation Method	Market Value
Assumptions:	
Inflation	2.25 percent
Salary increases	4.50 percent
Investment rate of return	7.50 percent, net of pension plan investment expense, including inflation
Retirement Age	The first day of the month coincident with or next following the date on which the member attains full retirement age for receiving full social security benefits.

NOTE 12 NET PENSION BENEFITS LIABILITY

The Township's aggregate net pension liability, deferred inflows and outflows of resources, and pension expense are as follows:

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 12 NET PENSION BENEFITS LIABILITY (cont'd)

	Net Pension Asset	Deferred Outflows of Resources	Deferred Inflows of Resources	Net Pension Expense
Police Plan (See Note 10)	\$ 312,435	\$ 37,656	\$ 639,866	\$ 12,220
Non-Uniformed Plan (See Note 11)	<u>312,237</u>	<u>36,521</u>	<u>332,313</u>	<u>3,427</u>
Total	<u>\$ 624,672</u>	<u>\$ 74,177</u>	<u>\$ 972,179</u>	<u>\$ 15,647</u>

NOTE 13 DEFINED CONTRIBUTION PLAN

The Township offers a defined contribution plan ("the Plan") in accordance with Internal Revenue Code ("IRC") Section 457. The Plan is administered by TD Ameritrade. The Plan, available to all nonuniformed employees of the Township hired after January 1, 2016, permits them to defer a portion of their salary until future years. The deferred compensation, including related income, is not available to employees until termination, retirement, death, or unforeseeable emergency. In accordance with the provisions of IRC Section 457, the Township does not own the amounts deferred by employees, including the related income on those amounts.

NOTE 14 UNCERTAINTIES

COVID-19 Pandemic

As a result of the spread of the COVID-19 coronavirus which was ongoing at December 31 2020, economic and operational uncertainties have arisen which may impact the Township in fiscal year 2021. The extent of the potential impact is unknown as the COVID-19 pandemic continues to develop.

Government Grants and Awards

The Township participates in state and county-assisted grant programs. These programs are subject to program compliance audits by the grantors or their representatives. The Township is potentially liable for any expenditure which may be disallowed pursuant to the terms of these grant programs. Management is not aware of any material items of noncompliance which would result in the disallowance of program expenditures.

NOTE 15 RISK MANAGEMENT

The Township has purchased commercial insurance policies for various risks of loss related to torts; theft, damage, or destruction of assets; errors or omissions; injuries to employees; or acts of God. Payments of premiums for these policies are recorded as expenses of the Township. Insurance settlements have not exceeded insurance coverage in any of the past three years. There were no significant reductions in coverage compared to the prior year.

UPPER UWCHLAN TOWNSHIP

NOTES TO FINANCIAL STATEMENTS

NOTE 16 ON-BEHALF PAYMENTS FOR FRINGE BENEFITS

The Township recognizes as revenue and expenses contributions made by the Commonwealth of Pennsylvania to the Township's Police and Non-Uniformed Pension Plans on behalf of the Township's employees. In fiscal year 2020, the State made contributions of \$206,801. These contributions are recorded in the General Fund as revenue and expenditures.

NOTE 17 CAPITAL LEASE - LESSEE

The Township has entered into a lease agreement as a lessee for financing the acquisition of street sweeper used within the Township. This lease agreement qualifies as a capital lease for accounting purposes and, therefore, has been recorded at the lower of asset value or present value of future minimum lease payments as of the inception date.

The assets acquired through the capital lease are as follows:

ASSET	
Equipment – Street Sweeper	\$ 196,967
Less: Accumulated depreciation	<u>(65,656)</u>
Equipment, net	<u>\$ 131,311</u>

The future minimum lease obligations and the net present value of these minimum lease payments as of December 31, 2020 were as follows:

Year Ending December 31,

2021	\$ 55,458
Less: Amount representing interest	<u>(1,504)</u>
Total	<u>\$ 53,954</u>

NOTE 18 CHANGE IN ACCOUNTING PRINCIPLE

In accordance with the adoption of GASB Statement No. 84, as discussed in Note 1, the Township has restated its January 1, 2019 net position in its fiduciary activities to record the custodial funds' net position at December 31, 2018. The net result of this change is an increase of \$43,228 in net position of its custodial fund.

NOTE 19 SUBSEQUENT EVENTS

The Township has evaluated all subsequent events through June 29, 2021, the date the financial statements were available to be issued.

STATISTICAL SECTION

Upper Uwchlan Township's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, footnote disclosures, and required supplementary information says about the Township's overall financial health.

CONTENTS

Financial Trends

These schedules contain trend information to help the reader understand how the Township's financial performance and well-being have changed over time.

Revenue Capacity

These schedules contain information to help the reader assess the Township's most significant local revenue source, the property tax.

Debt Capacity

These schedules present information to help the reader assess the affordability of the Township's current levels of outstanding debt and the Township's ability to issue additional debt in the future.

Demographic and Economic Information

These schedules offer demographic and economic indicators to help the reader understand the environment within which the Township's financial activities take place.

Operating Information

These schedules contain service and infrastructure data to help the reader understand how the information in the Township's financial report relates to the services the Township provides and the activities it performs.

Sources: Outstanding debt and applicable percentages provided by each governmental unit.

Note: Overlapping governments are those that coincide, at least in part, with geographic boundaries of the Township. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the property tax owners of Upper Uwchlan Township. This process recognizes that, when considering the government's ability to issue and repay long-term debt, the entire debt burden borne by the property taxpayers should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government. This schedule excludes debt related to business-type activities.

OTHER REPORT

INDEPENDENT AUDITOR'S REPORT ON
INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

June 29, 2021

Board of Supervisors
Upper Uwchlan Township
Chester Springs, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Upper Uwchlan Township, Chester Springs, Pennsylvania ("the Township"), as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the Township's basic financial statements, and have issued our report thereon dated June 29, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Township's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Supervisors
Upper Uwchlan Township
Chester Springs, Pennsylvania

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Township's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
