Application for Conditional Use Permit (Short Term Rental)

Dear Upper Uwchlan Township,

Please find attached my Conditional Use Application Permit, as well as supporting documentation, for my short-term rental operated at 705 N Reeds Rd, Downingtown, PA 19335.

**Description of the Property:**

705 N Reeds Rd is a one-acre parcel located in the R-1 District with two separate cottages. The Front Cottage, which is currently operating as a short-term rental through Airbnb, is a one bedroom, one bathroom cottage. The Back Cottage, which is currently my primary residence, is also a one bedroom, one bathroom cottage. The driveway is currently shared between the cottages, with two off-street parking spots available for each cottage.

I bought this property in November of 2021, and have been working to renovate and upgrade ever since. Both cottages have brand new, energy efficient Mitsubishi mini split HVAC systems, which provide electric heating and cooling, installed by Brandywine Valley Heating and Cooling. The septic system, which was inspected prior to purchase in 2021, is pumped annually, and the well, which is a single-line jet pump, had a new pump and pressure tank installed in 2024 by Edward Powell Pump and Well Drilling. The Back Cottage's roof was replaced in 2023. My cleaner, Lindsay, does all the turnovers and laundry for the property.

**Plan:**

I plan to continue to upgrade the property to create a relaxing and enjoyable environment for my guests. While I currently reside in the Back Cottage, the long-term plan is for that to be used as a short-term rental once all renovations are complete.

**Guests:**

I permit a maximum of two guests, and the cottage is pet friendly. I do not permit parties of any kind, and any visiting guests need to be approved before arrival. Most of my guests are couples who are getting away for a short trip, a lot of times to celebrate a birthday or anniversary. Because of our proximity to Philadelphia and New York City, I end up seeing a lot of couple and solo travelers that just want to relax and enjoy nature for a few days. A lot of guests come to enjoy the State Park, since we are less than a mile from the West Side Boat Launch of Marsh Creek. I also host guests who are in town visiting family, and want to have their own space to come back to at the end of the day.

I always encourage my guests to support our local community. I have a chalkboard that lists out a ton of small, local businesses. My goal is to create a relaxing environment where people can enjoy nature and some of the incredible small businesses we have in the area.

**About Me:**

I grew up in Downingtown, graduated from Downingtown West High School, and went to Drexel University. In 2018, I purchased a two-unit multifamily home in the Borough of Downingtown. I renovated that property, and those units are now long-term rentals that I manage myself. I have worked at Victory Brewing Company as a bartender for over 15 years. I am also the property manager for Stonegate Properties, and remotely manage over 100 units in the Boston Area. Running a short-term rental is a great way to combine of all my experiences in hospitality and property management.

**Reviews from Guests:**

I pride myself on creating a great environment for my guests, and on always being available should they need anything. Please find below some of my most recent reviews! I have over 230 reviews from guests who have stayed and enjoyed the property.

#### Administration Reports

##### Township Engineer's Report

Dave Leh reported that construction is almost complete for 241 Park Road – Ducklings Daycare; a Phase 2 plan has been submitted for Byers Station Parcel 5C Lot 2B to add another 10,500 SF building instead of the drive-through restaurant. Plans are being reviewed by the consultants.

##### Building and Codes Department Report

Rhys Lloyd reported that 65 building permits were issued last month, totaling \$25,225 in permit fees; he and Anthony Campbell conducted 177 scheduled inspections; 5 new homes settled; 10 properties exchanged hands; a Certificate of Occupancy was issued for Ducklings Daycare; a dozen zoning complaints were investigated; another successful “Giving Bikes Back” collection; and they assisted with a girl scout project assembling Adirondack chairs for Upland Farm Park.

##### Police Chief's Report

Chief Jones reported the Department had 964 calls for service, 7 adults arrested last month, 2 juvenile arrests; the Block Party was a huge success – Public Works and Staff did a great job; K9 Officer Dexter is on his first shift as of 6:00 tonight – Officer Zmuida went through training for patrol canine and weapons canine; investigating threats throughout the weekend and today regarding cyber-attacks in retaliation for the Iran bombing this weekend ... look closely at emails and messages.

##### Public Works Department Report

Mike Esterlis reported that along with completing 145 work orders, the crew completed road base repairs on Graphite Mine Road, inlet and base repairs in Byers Station and Eagle Hunt, the new roadside mower is in service, and we’re hiring a road worker.

Gerry Stein asked what is next with the Font Road project (Milford Farms sanitary sewer expansion). Mr. Esterlis advised they’ll be installing the stubs to the homes.

Mrs. Baxter commended the Public Works Staff for their work toward the success of the Block Party.

Pavement Marking Contract. Mr. Esterlis noted we are part of a 7-municipality Pavement Marking Consortium in the County. Bids were requested and Alpha Space Control was the sole bidder. The price for our work, \$40,960, is half what we budgeted, \$87,100. Mr. Durkin moved, seconded by Mrs. D’Amico, to ratify the \$40,960.00 bid. The motion carried unanimously.

#### Land Development

241 Park Road ~ Ducklings Daycare Bond Reduction Request. Dave Leh advised that the developer has requested the second and Final financial security reduction for the Ducklings Daycare project. All construction items have been satisfactorily addressed, and Gilmore recommends releasing \$194,635.70 upon receipt of a maintenance bond for \$7,098.60 and payment of all outstanding consultants’ invoices. The maintenance bond is to cover the sidewalk and curbing.

Mr. Durkin moved, seconded by Mrs. D’Amico, to approve the release of \$194,635.70 conditioned on receipt of the maintenance bond and payment of consultants’ fees. The motion carried unanimously.

#### ADMINISTRATION

Gunner Properties LLC – 160 and 180 Park Road. Alyson Zarro and Chase Gunther introduced the plan to develop the 2 parcels in the C1 district as mixed use dwellings; non-residential on the 1<sup>st</sup> floor and residential behind or above; 120 apartments in 5 new buildings; seeking 2 variances to allow the existing commercial uses to be counted toward the non-residential on the site and to increase the maximum footprint from 6,000 SF to 8,000 SF, which would provide more open space on the site than

6 smaller buildings. A Zoning Hearing is scheduled for Wednesday, June 25, 2025. Ms. Zarro and Mr. Gunther provided further details and answered Supervisors' and citizens' questions.

Mrs. Baxter thanked Ms. Zarro and Mr. Gunther for making the presentation and announced that the Board was not going to take a position. They will await the Zoning Hearing Board's interpretation of the project, and if the variances are granted, they'll address some of tonight's comments during the land development process. Their expectation is for the commercial uses to remain and for the existing buildings to remain.

144 Byers Road – First Amendment to the Agreement of Sale.

Kristin Camp, Esq., explained that the Township is under agreement to purchase 144 Byers Road, for Administration's offices. A Phase 1 environmental study showed a concern, necessitating a Phase 2 study if the Township remained interested in the property. This Amendment memorialized the extended due diligence period and states who pays for what. The Phase 2 study showed that there was nothing hazardous and we can move forward to closing on July 9, 2025.

Mr. Durkin moved to approve the First Amendment to the Agreement of Sale for 144 Byers Road. Mrs. D'Amico seconded, and the motion carried unanimously.

Reimbursement Resolution for Bond Issue.

Tony Scheivert explained that Pat Scott, Bond Counsel, prepared a Resolution that the Township will repay the General Fund from the Bond proceeds for expenditures that will occur before the Bond is issued. The Bond amount is +/- \$9,000,000: \$1,500,000 for the purchase of 144 Byers Road, funds to renovate that building, funds to renovate Hickory Park, \$5,500,000 for Municipal Authority projects and system repairs, and the Bond Counsel's fees.

Mr. Durkin moved, seconded by Mrs. D'Amico, to approve **Resolution # 06-23-25-06**, declaring the Township's intent to reimburse itself from the proceeds of debt to be issued for the projects described for prior expenditures for those projects. The motion carried unanimously.

Open Session

Steve Egnaczyk commented that the Block Party was fabulous; every year it gets better.

Sandy D'Amico commented the Staff does a wonderful job! Even with the weather this year it was a great time.

Gerry Stein asked if the Township had purchased the Acker farm on Byers Road. Mr. Scheivert advised yes, the parcels were purchased in December. A grass path has been cut, there's a small parking area, a stream runs through it.

Adjournment

There being no further business to be brought before the Board, Mrs. Baxter adjourned the Meeting at 9:04 p.m.

Respectfully submitted,

Gwen A. Jonik  
Township Secretary

Re:     Zoning Ordinance Amendment - Signs, Commercial Vehicle Parking, Short Term Rentals  
#       Upper Uwchlan Township - ZA-06-25-18566

Dear Mr. Scheivert:

The Chester County Planning Commission has reviewed the proposed Upper Uwchlan Township Zoning Ordinance amendment as submitted pursuant to the provisions of the Pennsylvania Municipalities Planning Code, Section 609(e). The referral for review was received by this office on June 17, 2025. We offer the following comments to assist in your review of the proposed Township Zoning Ordinance amendment.

## BACKGROUND:

The County Planning Commission previously reviewed an earlier version of this amendment, and our comments were forwarded to the Township in a letter dated June 13, 2025 (refer to CCPC# ZA-05-25-18535). The current submission addresses our comments on the proposed amendment. (A proposed revision to **§ 200-96. Portable signs** in the current submission includes: "...a minimum clear walking width of 45 feet..."; this may be a result of the form of digital submission sent to the County, but the Township should ensure that the actual proposed amendment requires 5 feet.)

**RECOMMENDATION:** The County Planning Commission recommends that Upper Uwchlan Township proceed with this amendment according to the recommendations of the Township Solicitor.

We request an official copy of the decision made by the Upper Uwchlan Township Supervisors, as required by Section 609(g) of the Pennsylvania Municipalities Planning Code. This will allow us to maintain a current file copy of your ordinance.

Sincerely,

Wes Bruckno

RE: Struble Trail Extension by County of Chester /  
Trail Crossing Signal Reimbursement and Indemnification Agreement  
For Execution in Triplicate

Dear Tony

As you know, our Firm represents the County of Chester in the subject Project, which obtained Final Land Development Approval on July 17, 2023. As you are also aware, Upper Uwchlan Township is agreeable to assume title and maintenance responsibilities for various traffic signals associated with the Mid-Block Crossing at Dorlan Mill Road and the County Struble Trail.

Accordingly, attached is an Agreement, together with its various exhibits, outlining the terms which the Township and County have agreed upon. This Agreement requires the County to reimburse and indemnify the Township for those maintenance activities assumed by the Township. This arrangement is customary when a trail amenity crosses a PennDOT roadway, and the County's obligations under this Agreement are similar to those of a private developer who might be required to provide a similar trail crossing within a PennDOT right-of-way.

This Agreement has been reviewed by Kristin Camp on behalf of the Township as well as the County's Solicitor's Office and is now ready to execute. We understand that you will schedule the Agreement for consideration by the Board at an upcoming meeting. Upon approval, kindly have Chairwoman Baxter execute the Agreement where indicated before a Notary Public, in triplicate and return the signed originals to me at the address above.

Upon receipt of the Agreement executed by the Township, we will have the County counter-execute the Agreement and have it recorded with the Recorder of Deeds of Chester County. We will, of course, provide you with a time-stamped copy of the Agreement and the recording information for the Township's records. A time-stamped copy original executed

Upper Uwchlan Township

Agreement will be transmitted to PennDOT as part of the Highway Occupancy Permitting process. A copy will also be retained by the County.

Should you have any questions or require assistance in obtaining the execution and/or acknowledgement of the Agreement, please do not hesitate to let us know.

Warm Regards,
